

ON-TRACK ALBEMARLE

Kindergarten Mathematics

ON TRACK AT ACPS

Student success is the goal for students, families, and Albemarle County Public Schools. This guide is to help families understand how your student is doing in their grade. It shows the Virginia Standards of Learning (SOLs) students should know by the end of the year, according to the Virginia Department of Education (VDOE). There are also tools for families to use at home to help their students. *Please start with the overview video to the right.*

If you have questions about how your child is doing in school, contact your child's teacher or principal.

FAMILY INFORMATION

What does my student need to know?

The Kindergarten Standards of Learning for Math are taught throughout the year. We have included a list of the standards students should know by the end of the year in the link below or by scanning the QR code to the right: [Math Standards Document](#)

How do I know if my student is on track?

In ACPS, we check how well students are doing using tests, benchmarks, and report cards. Each quarter, report cards & benchmarks show how your student is doing in each subject. If your student is in grades 3-5, they will also take growth and end of year SOL Assessments that match the grade level standard. If you want to know more about report cards, quarterly benchmark assessments, and growth and end of year SOL tests, use the link or QR code. [On Track Video Link](#)

How can I help at home?

In the link & QR code below, you will find activities you can use with your child at home. Practicing math at home helps your child do well in school. If you have questions about what to do at home, contact your child's teacher or principal. [At-Home Math Activities Link](#)

ACPS MISSION:

Working together as a team, we will end the predictive value of race, class, gender, and special capacities for our children's success through high-quality teaching and learning for all. We seek to build relationships with families and communities to ensure that every student succeeds. We will know every student.

Dr. Matthew Haas
ACPS Superintendent
