

NCHS Registration

2024-2025

Getting Ready for Registration

- 1 Graduation Requirements
- 2 Course Options
- 3 How to Register
- 4 Important Reminders/Dates

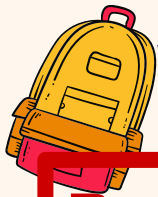

Graduation Requirements

SUBJECT	Min. CREDITS NEEDED
English	4
Mathematics	3
Science	3
Social Studies	3
Health & PE	2
The Arts (Visual or Performing)	1
Career & Technical Ed (CTE)	1
World Languages	0* (2+ years required for 4 year colleges)
Flexible Credits	7

Additional Requirements:

- Graduation Pathway
- WA State History
- HS & Beyond Plan

What will I take as a 10th/11th/12th grader?

Required 10th Gr:

- Pre-AP English 10
- Math (next in sequence)
- World History (9th or 10th, or AP)
- Science

Recommended:

- CTE/PE/ART
- World Language

Required 11th Gr:

- English
- US History (US or APUSH)
- Math (next in sequence)

Recommended:

- Science
- CTE/PE/ART
- World Language

Required 12th Gr:

- English
- Senior Social Studies (CWP/Civics or AP Gov)

Recommended:

- Math
- Science
- CTE/PE/ART

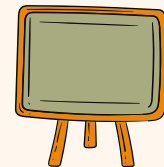

2

Course Options

Read full details of classes [HERE](#) (Course Catalogue)

English

10th Grade:

- Pre-AP English 10

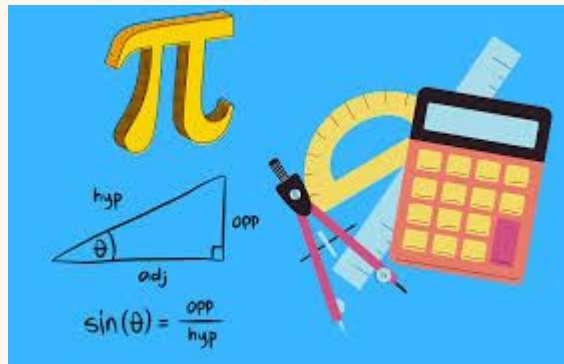

11th & 12th Grade:

- English 11
- English 12
- Creative Writing
- College Prep English Discourse & Society
- College Writing (**12th Only*)
- AP English Language
- AP English Literature

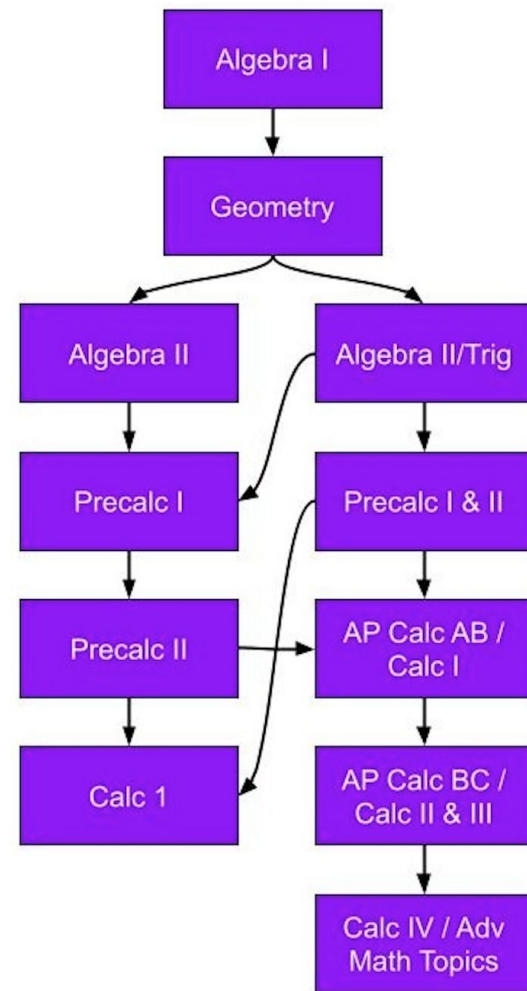

Math Trajectory & Options

AP Stats

May be taken any time
after Alg II or Alg II/Trig

Science

Semester

- Astronomy
- Forensics
- Zoology
- Wildlife in the Modern World (CHS), 1.0 credit

Full Year

- Biology
- Chemistry
- Physics
- Biotechnology, & (Adv.)
- Intro Biology / Survey of Physiology (CHS) 1.2 credits each
- AP Biology
- AP Chemistry
- AP Environmental Science
- AP Physics 1, 2

Social Studies options

9th/10th Grade

- World History
- AP World History

11th Grade

- US History
- AP US History

12th Grade

- Civics/Contemp World Problems
- AP Government

SS Electives:

- AP African American History **NEW**
- AP Human Geography
- AP Macroeconomics
- Intro to Economics
- Intro to Law
- Law & Society
- Ethnic Studies **NEW**
- Ethnic Studies in Action
- AP Seminar
- AP Research

PE & Health

- Health
- Life Fitness
- Basketball
- Baseball/Softball
- Outdoor Adventures
- Racket Sports
- Recreational Team Sports
- Strength & Fitness, & (Adv.)
- Team Sports
- Volleyball
- Walking for Fitness
- Yoga

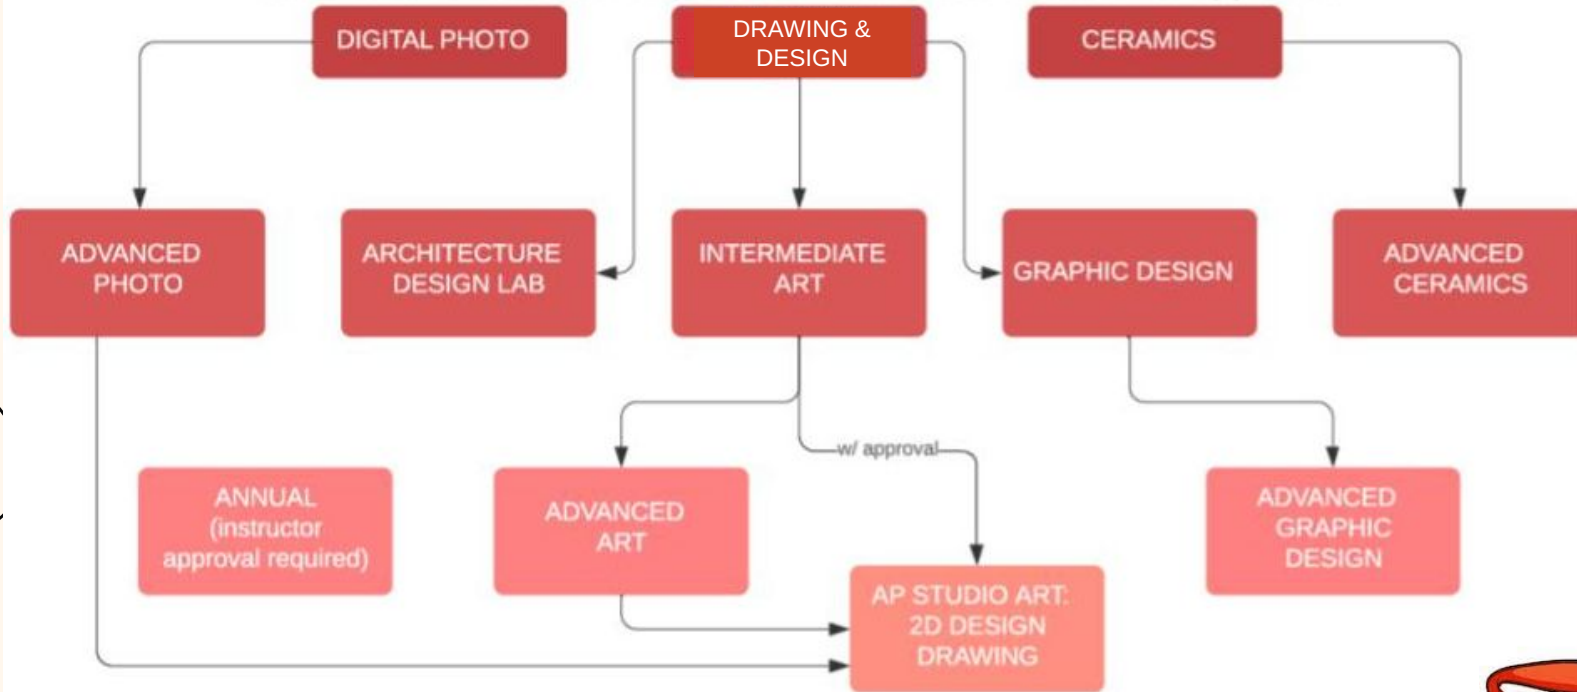

Arts

NCHS VISUAL ARTS FLOW

Advanced courses may be repeated for credit.

Prerequisites waived w/ portfolio approval from NCHS art teacher.

Advanced courses are only offered to freshman w/ teacher approval.

CTE - Career Technical Education

Semester

- Architecture & Construction
- Interior Design
- Lifespan Psychology
- Adulting 101
- Web Design
- CAD Lab
- Metal Fabrication
- Child Development
- Intro to Engineering Design
- Microsoft Office Certification

Yearlong

- ASB & Advanced ASB
- Aviation
- Sports Med @ NCHS
- Marketing (Intro/Adv)
- Retail Ops/Student Store
- International Business
- Finance
- Intro to CS Principles
- AP CS Principles
- AP CS A
- Robotics (Intro/Adv)

HOSA

Can only join if you are enrolled in **Biotech, Adv. Biotech or UW Physiology**

Intro/Adv. Marketing

Must join **DECA**

Students wanting to join DECA must be enrolled in marketing classes

World Languages

- American Sign Language
- French
- Japanese
- Spanish

Classes to Consider!

NEW

Leadership

Students will learn the importance of communication, character development, personal growth, active listening, goal setting, and building strong relationships and teams through positive influence.

11th/12th Gr. Only ~ An interdisciplinary course that examines the diversity of African American experiences through direct encounters with varied sources.

Ethnic Studies & Ethnic Studies in Action

NEW

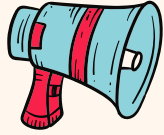

Examines cultural, economic, historical, political, and social aspects and experiences of ethnic groups, with a special emphasis on social justice through resistance, liberation, and healing.

Prepare students for the challenges they will face in a rigorous course of study at HS level and beyond. Develop skills in: time management, study, note taking, and leadership.

AP African American History

NEW

all the
electives!!!!

NCHS Elective Fair

Wednesday, February 28 & Thursday, February 29
During Lunches

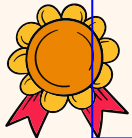

WANIC & Satellite

- Apply for programs during registration in the spring
- Programs are “**hands on**” experience based classes
- Great way to try on a career path before you make a decision

	WANIC	Satellite
Transportation	Provided by student/family	Provided by student/family or District (pending)
Locations	Vary, all on East Side	NSD High Schools
How to Register	<u>Apply on WANIC Website</u>	<u>Fill Out Interest Form Here</u>

Satellite Classes

10th-12th Gr:

- Construction Academy, BHS
- Culinary Arts, BHS
- Baking and Pastry, BHS
- Auto Technology: Beg / Adv, BHS
- Sports Medicine, IHS
- Medical Professionals Academy, WHS
- Emergency CERT, WHS

11th & 12th Gr:

- Inter. Data Programming, NCHS
- Aviation: Intro to Flight, NCHS
- Welding and fabrication, WHS
- Careers in Education, BHS
- IB Design & Technology SL/HL, IHS

WANIC Classes

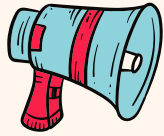

- Auto Tech (Beg/Adv.)
- Aviation Technology
- Baking & Pastry Arts
- Core Plus Construction
- Cisco Networking
- Culinary Arts
- Dental Careers
- Digipen Art & Animation
- Digipen Game Design

- Digipen Music & Sound Design
- Digipen Video Game Programming
- Fire & EMS
- Health Science Careers - Nursing
- Maritime Welding
- Medical Careers
- Sports Medicine

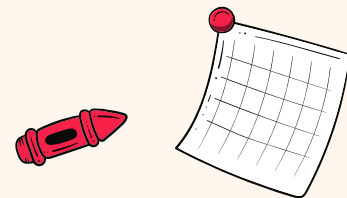

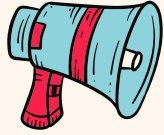

All Families
& Students
Welcome!

Satellite Open House

March 5, 2024 at 6:30 PM

Bothell HS

Satellite/WANIC Info Session

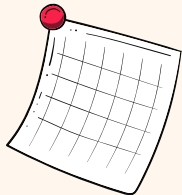

Wednesday, March 20th during Jag Time

Loc: AUX Gym

Students who enter VNE151 code

Sign Up:

<http://tinyurl.com/yw9xbnrd>

Running Start

Running Start is a program where you decide to start college early. Starting in the 11th grade, you can attend full-time college classes instead of attending NCHS.

- You NEED to be absolutely sure you are ready to be totally **independent**
- Earn free college credits (most transferable in-state) and fulfill your HS graduation requirements at the same time

Interested? Attend the Mandatory Info Session:

Thursday, March 7th during Jag Time, AUX Gym

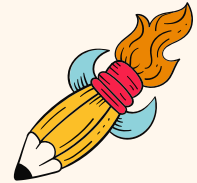

***Sign Up: <https://forms.gle/ozjT9g73gLTr14g6A>**

AP/CHS COURSES - Important New Info

If you are planning to register for any AP and/or CHS (College-in-High-School) classes next year, please note the following recommendations regarding the number of classes for each grade level:

- **9th Grade: 1 courses**
- **10th Grade: 2 courses**
- **11th Grade: 3 courses**
- **12th Grade: 4 courses**

If you register **for more than the recommended number of courses, you MUST SIGN the agreement at the end of the your registration packet** indicating you understand that it's more than the recommended number of AP/CHS courses AND that you understand you will **NOT** be able to drop the course(s) during the school year.

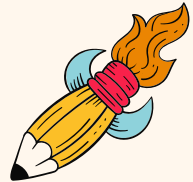

Automatic Advancement

A state law says that students who meet or exceed standard on statewide English, Mathematics or Science assessments or who successfully complete an advanced course must be **automatically enrolled** in the next most rigorous course.

BUT

Your family can **OPT OUT** using the “**Opt Out**” form included in your registration packet and then you could take non-AP classes.

REMEMBER TO SIGN THE OPT OUT FORM

Registration Process

1. Fill out **Course Registration Form** (CRF)
2. Get CRF **Signed** by Parent/Guardian
3. Input Courses into **StudentVue** (7 Credits/14 Lines!*)
*15 lines if you're doing RS, WANIC/Satellite
4. Meet with **Counselor** to **Lock In**

NO Schedule Changes - Think about selections VERY Carefully

How do I know what classes I still need?

Go to StudentVue and click on “**Course History**” and you will see your Graduation Status.

GEOMETRY

—————→ Name of Course

Course Code: MGE100A/B

—————→ Course Code

Length / Credit: Year Long / 1.0

—————→ Length of Course/Number of Credits

Grade: 9, 10, 11, 12

—————→ Which grades can take the class

Prerequisite: Algebra I or Concurrent Enrollment in Algebra I

Fees: None

Diploma Category: Geometry

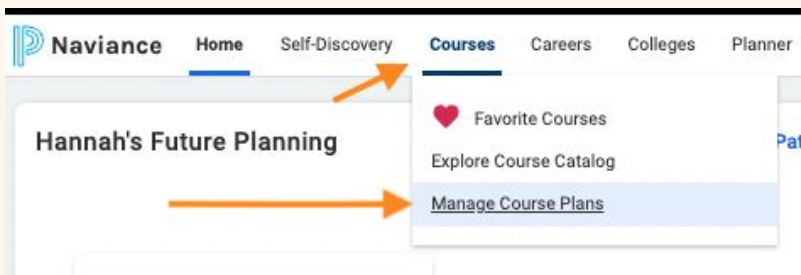

Notes: High School level math courses require students to use a scientific calculator such as TI-83/TI-84. It is recommended that students purchase their own personal calculator, however the school will provide a calculator as needed.

Students will build upon algebraic skills from Algebra 1 by applying them to new geometric concepts. Students will formalize their reasoning skills to write proofs built on definitions, axioms, and theorems. Students will study symbolic logic, parallel and perpendicular lines, triangle properties, quadrilateral properties, and properties of other polygons and circles. Other topics that will be studied are similar and congruent figures, right triangle trigonometry, coordinate geometry, geometric transformations, area, surface area and volume of three-dimensional figures.

Registration One on One's with Counselor

- Current 9th: **March 6th & 7th** (During English)
- Current 10th: **March 11th & 12th** (During English)
- Current 11th: **March 13th & 14th** (During History)

- **On that day, you need:**

- **Completed & SIGNED** Registration Form
- Fully requested Courses in StudentVue (7 Credits/14 Lines!! - 15 if WANIC/RS/Satellite)

SCHEDULE CHANGE POLICY

It is critical for families to understand that the choices made by students during registration are considered to be final. Courses that are offered and staffing for the following year are based on the choices students make during the registration process.

Schedule changes may be made on a limited basis for the following reasons within the first 10 days of school:

- ☐ A graduation requirement must be added
- ☐ Administrative withdrawal is requested
- ☐ Incomplete schedule
- ☐ Duplicate classes/obvious errors
- ☐ IEP/ELL placement issues

In keeping with District practices, classes may be dropped only during the first 10 days of the semester and only for very specific reasons listed above. Courses dropped during this 10 day window are not listed on the transcript and the student is transferred to another class.

Courses cannot be dropped after the 10th day - except in extreme circumstances and only with Principal approval.

Year-long classes will not be dropped at any time during the year unless there are exceptional extenuating circumstances approved by the principal. Full-year classes are exactly that: Full Year.

You can avoid any issues with dropping classes by choosing your classes very, very carefully at registration time and remember - if you choose a class and you get that class, you will be keeping that class no matter what.

Schedule Changes are **NOT Possible**

Due to capacity limitations, schedule changes will not be possible after classes are locked in.

*Think very carefully about your classes and pick wisely. **Add MANY Alternates.***

Important Dates

- **Satellite Open House:** March 5th, 6:30-8:00 PM, Bothell HS
- **Running Start Info Session:** March 7th, Jag Time, AUX Gym
- **Satellite/WANIC Info Session:** March 20th, Jag Time, AUX Gym
- **WANIC Open House:** March 21st, 5:00-7:00 PM, LW Tech Campus

1-on-1 Lock In Days:

- Current 9th: **March 6th & 7th** (During English)
- Current 10th: **March 11th & 12th** (During English)
- Current 11th: **March 13th & 14th** (During History)

Registration Checklist

- ☐ **Attend Running Start Info Session (Mandatory if interested)**
- ☐ **Attend WANIC/Satellite Info Session**
- ☐ **Fill out CRF completely & turn in**
 - ☐ **7 Credits?**
 - ☐ **Plenty of alternatives?**
 - ☐ **Parent/Guardian Signatures** (up to 3 signatures!)
- ☐ **Select classes on StudentVue (14 Lines! - 15 if WANIC/Satellite/ RS)**
- ☐ **Meet with Counselor to Lock In**
- ☐ **Final Deadline is March 15th!**

Questions?
