

# Gifted Services at Bell Fork Elementary

## Heather Smith, AIG Specialist

[Heather.Smith@onslow.k12.nc.us](mailto:Heather.Smith@onslow.k12.nc.us)

This is my 14<sup>th</sup> year as an AIG Specialist in Onslow County Schools and my 20<sup>th</sup> year teaching gifted elementary students. I'm a graduate of ECU and hold a NC Teaching license to teach both Elementary K-6 and Academically Gifted K-12.

I was born and raised in Pamlico County, NC. My husband is a native of Jacksonville, NC. We have two beautiful children who are 16 & 15 and a rescue kitty named Dottie Mae.

## Services Offered at Bell Fork

Academically and/or intellectually gifted students are a diverse group. Their unique abilities and needs require differentiation of regular classroom instruction and other service options designed to provide a comprehensive, advanced, and challenging course of study. Our goal in OCS is to best match the individual student's academic and social/emotional needs with the best program service options.

- **Planning with classroom teachers** to help them differentiate instruction for advanced individuals and/or groups of students
- **Pull-out services** are available in most grade levels for groups of gifted and advanced students for advanced reading, math, STEAM projects, and other talent development lessons and activities.
- **Consultative services** are available for students who need more individualized or private support in advanced academics and/or social emotional support.
- **Inclusion/Co-teaching lessons** can be planned with classroom teachers to enrich and extend a grade-level topic.
- **Enrichment Opportunities** on our campus: Chess, Math Counts, Spelling Bee, Battle of the Books, National Elem Honors Society, Science Olympiad, 3<sup>rd</sup> Grade Multiplication Bee, Girls on the Run, Stride, Chorus, and the Annual Talent Show.
