

Gifted Services at Carolina Forest Elementary

Services Offered:

K-2 Students will be serviced in a push-in or pullout Talent Development format within small groups to enrich their critical thinking skills across multiple subject areas.

3-5 Students will be serviced in either a push-in or pullout format to enrich their math, reading, and hands-on skills. Students will complete projects, learn accelerated content, and complete challenging mental exercises.

Supporting Teachers – Specialists spend time planning with classroom teachers to help them differentiate instruction for advanced individuals and/or groups of students.

Enrichment Opportunities:

Students at CFIE have the chance to participate in numerous enrichment activities to include:

- Odyssey of the Mind
- Math Counts
- Chess
- National Elementary Honor Society
- Battle of the Books
