

# Your Checklist for College

## 9th Grade Set Your Sights on College

- Take courses that challenge you.
- Meet with your school counselor to discuss your educational and course options.
- Explore course options such as AP, honors, and Career and College Promise.
- Create a free CFNC account to save your courses, activities, and more.
- Discover career interests at CFNC.org.
- Research ways to save and pay for college.

## 10th Grade Keep Your Focus

- Pursue extracurricular interests, such as dance, sports, clubs, or community service.
- Review your goals for the future with your counselor.
- Update your CFNC plan of study.
- Start using the free SAT and ACT test prep at CFNC.org.
- Look on CFNC.org for free SAT and ACT test prep resources.
- Take the PSAT for practice.
- Talk with family and friends about their educational choices.
- Use CFNC's College Search tool to research N.C. colleges.

## 11th Grade The Critical Year for Success

- Review your academic plan with your counselor.
- Use CFNC.org to find free practice tests for the SAT and ACT.
- Take the PSAT in October (you might qualify for National Merit Scholarships).
- Check admissions requirements of colleges that interest you.
- Keep your CFNC plan of study updated.
- Attend college fairs and financial aid workshops.
- Visit colleges.
- Use CFNC.org to start researching scholarships, grants, and loans.
- Talk with coaches about college sports and scholarship eligibility.
- Register and take SAT, ACT, and/or AP tests.
- Narrow down your list of colleges.
- Find a summer job or internship in your field of interest.
- Get a head start on finding money for college. Go to [fafsa.ed.gov](http://fafsa.ed.gov) for a Federal Student Aid Identification (FSA ID) for both you and a parent or guardian. You'll need them to file your Free Application for Federal Student Aid (FAFSA) early in your senior year. Save these IDs in a secure place and do not share them with anyone else.

## 12th Grade Fall Don't Let Up

- Review courses, graduation requirements, and scholarship opportunities with your counselor.
- Update your CFNC plan of study.
- Take the first SAT or ACT offered this fall.
- Select at least five colleges – a reach school, a safety school, and others in between.
- As soon as possible after October 1, go to [fafsa.ed.gov](https://fafsa.ed.gov) to complete and submit the FAFSA. If you need help with your FAFSA, check [CFNC.org](https://CFNC.org) for a FAFSA Day event near you or call 866.866.CFNC.
- Participate in College Application Month if offered at your school.
- Keep track of the application and financial aid deadlines of your college choices.
- Check with college financial aid offices for school-specific scholarship information, deadlines, and forms.
- Write, edit, proofread, and rewrite your admissions essays early.
- Ask teachers, counselors, or community leaders to write recommendation letters to support your applications.
- Use [NCR residency.org](https://NCR residency.org) to determine eligibility for in-state tuition and state grants.
- Use the [CFNC.org](https://CFNC.org) online application system to complete your N.C. college and university applications and to send your official transcripts (if you attend an N.C. public high school).
- Submit any applications to out-of-state schools through their websites.
- If you are a student athlete, send transcripts to NCAA Clearinghouse for eligibility certification.

## 12th Grade Spring Finish Strong

- Compare admission acceptance letters and financial aid packages.
- Apply for education loans, if needed. Limit the amount you borrow; you will have to pay it back.
- Send in your enrollment deposit to hold your spot at the college you choose.
- If not accepted by your college of choice, use the College Redirection module at [CFNC.org](https://CFNC.org) for new options.
- Make sure your final high school transcript is sent to your college (goes automatically if you requested one through [CFNC.org](https://CFNC.org) earlier).
- Send in college credit course transcripts (community college, middle college), if any.
- Take exams for any AP or college-level courses completed.
- If planning to attend a community college, check with your local campus about placement testing requirements.
