

Mrs. Lawrence
Mathematics
2020-2021 Syllabus

CONTACT INFORMATION

E-mail: penny.lawrence@onslow.k12.nc.us

Phone: 324-4414

Email is the quickest ways to reach me.

Assignments are always posted on the board within the classroom and on Microsoft Teams. If you have any questions, please feel free to email me, which you can do directly from the school's website.

GRADING

Tests / Quizzes	40%
Classwork / Homework	60%

A	90-100
B	80-89
C	70-79
D	60-69
F	Below 60

TESTS AND QUIZZES

All tests are announced ahead of time. Credit may be earned back for corrections to some tests and quizzes. Directions for how to complete the corrections for partial credit will always be communicated and all directions must be followed for any additional points to be awarded. Corrections are always due by the communicated due date and will not be accepted late without prior arrangements.

HOMEWORK

Students will have homework each night. Students should review the class notes and add to the questions and summary section of the notes. Any classwork assignments that were not finished in class should be finished at home before returning to class. All assignments are due at the start of class the following day unless otherwise specified. In order to get credit for a homework assignment, all work must be shown, and every problem must be attempted. Some classwork/homework assignments may be accepted late but will lose 5 points per day. Not all assignments will be accepted for a late grade.

If you were absent on a day an assignment was due, it is your responsibility to turn it in on the day you return. Please speak with me directly to see how I would like for you to turn it in.

ATTENDANCE/TARDY POLICY

It is your responsibility to make up all assignments for excused absences. You will have two school days for each day absent to accomplish this. Seek help before class, during independent work or after class. Please do not take away from everyone's class time to find out what you missed. Please check Microsoft Teams and ask for any handouts you may have missed. If you are unsure of the assignments, ask me or email me.

CLASSROOM MANAGEMENT

- Treat everyone and their property with respect.
- You are expected to come to class prepared and begin working on the Do Now upon entering the classroom. Prepared means you have all necessary math materials.
- Complete all assignments on time and to the best of your ability.
- Remain quiet and in your assigned seat.
- Keep all personal electronics off and in your bookbag.

BEGINNING OF CLASS PROCEDURE:

1. Come in quietly and find your assigned seat without any unnecessary pit stops.
2. Take out the previous night's homework to be checked and leave it on the corner of your desk.
3. Copy any new HOMEWORK assignments into your agenda.
4. Begin working on the DO NOW.
5. When finished with the DO NOW assignment, review previous notes and assignments. This is not an appropriate time to begin talking to classmates.

SUPPLIES & BINDER SETUP

- 2 tabbed dividers labeled GL Packets, Assessments
- spiral notebook
- glue stick
- scissors
- pencil
- graph paper (we will let you know in advance when needed in class)
