

# DECISIONS, DECISIONS, DECISIONS

Every day there are decisions that have to be made. What do I want to wear? Blue shirt or Green shirt?

WHICH ONE WOULD YOU CHOOSE?

Some decisions are easy like...  
Which cereal should I eat for  
breakfast....

**Which cereal would you  
choose and why?**

Other  
decisions will  
be harder.....

Do I want to go to  
college?

Which one?

Do I want to stay in  
Utah or move  
somewhere else?

What do I  
want to do  
for work?

If you have a dream or a goal  
and it is IMPORTANT to you,  
then you will find a way.

Making wise decisions  
shows that you are  
becoming more mature  
and responsible.
