Dear Friends, Family, Alumni and Community Members,

> **Mrs. Hilary Blum**  
Assistant Principal

It is with extreme excitement that we kick-off the 2024 Mainland High School Girl's Flag Football season. With this anticipation comes the reality that fundraising is a critical component in running a first-class program. Our goal is to help this group of young ladies thrive in, and experience a healthy, wholesome, and successful flag football season.

Thank you in advance for taking the time and consideration in sponsoring Mainland's Flag Football Program. Your support will help provide these hard-working athletes with uniforms, equipment, travel accommodations, meals, and the tools needed to help in the success and development of our players' futures.
