

**Santa Fe Independent
School District**

Superintendent Message

Dear SFISD Teachers and Staff:

March 1, 2024

We hope everyone is enjoying a great day of professional development. We have several proclamations for the month of March including “Social Workers Month,” “Music in our Schools Month,” “Athletic Trainers Month,” and “Theatre in our Schools Month.” We are fortunate to have so many awesome employees in SFISD!

For next week, we are celebrating **School Breakfast Week**, **Texas Diagnosticians’ Week**, and **Texas Public Schools Week**. It’s definitely a full week of recognition! Please remember to thank our Nutrition Services Department and our hardworking diagnosticians: Hayley Lang, Carlie Davis, Karen Campbell, and Page DuBose. We appreciate all of you.

We’ve got another great weekend ahead for our Indians. Our **Varsity Softball and Baseball Teams** are both playing in out-of-town tournaments on Friday and Saturday. We have **FFA students** AND **Floral Design** students participating in the Houston Livestock Show and Rodeo. Our **Boys Powerlifting Team** is competing in Dickinson on Saturday. We have **TAFE students** at the State Competition in Round Rock. Our **Winter Guard** (Color Guard) is competing in Angleton. Our **Bowling Team** is in Tomball for their Regional tournament. And – we have several of our students participating in the **Special Olympics Basketball Competition** in Alvin on Saturday.

Last but not least, a big THANK YOU to everyone who helped provide another successful **Father/Daughter Dance** at Santa Fe High School last night! A special thanks to Dr. Adkins and her team for organizing this for our PK-8 students. Great job all around. This is always such a great event :)

Have a blessed weekend everyone,
KB

Santa Fe ISD is an academic leader committed to excellence through continuous improvement by instilling high standards, building strong community partnerships, providing innovative opportunities, and empowering students for lifelong success.
