

Dear Herricks School District Community,

Happy Thursday! I hope this email finds you all doing well and that everyone is having a wonderful week. It has been a productive week here in Herricks with our annual Budget Vote taking place on Tuesday (*thank you for coming out to vote*), our spring concert series continuing at our elementary, middle and high schools, and various events occurring at our elementary schools such as Heritage Week at Denton Avenue School. The amazing and wonderful experiences continue to unfold in our schools and it is such a pleasure to spotlight them for our community!

Herricks' Happenings: Update #13

I am excited to share our latest *Herricks' Happenings* video with you today. I am particularly excited about sharing this update because it features our next group of guest stars - a fantastic group of 8th Graders from our Herricks Middle School podcasting class! It was such a pleasure spending time with this group of students and learning about their experiences at Herricks Middle School. I was so moved by what they shared that we decided to record this update so the rest of our community can hear about some of the great things happening in our district and specifically in our middle school. Watching this video will be the best 3 minutes of your day - I promise you will smile and get a lot of great information! Please click on the picture below to access the *Herricks' Happenings* video update and please email me if you have any feedback.

Other Important Updates

- If you have missed any of our previous Herricks' Happenings Video Updates, you can [click here to access all the videos](#).
- Our next Board of Education Meeting will take place tonight (*Thursday, May 18, 2023*) at the Community Center starting at 7:30pm. We hope you can join us tonight!
- The following Board of Education meeting will take place on Thursday, June 8, 2023 at the Community Center with a 7:30pm start time.

Thank you so much for watching our latest *Herricks' Happenings* video update - it is such an honor and joy to spotlight our students!

Have a wonderful rest of the week!

Sincerely,

Dr. Tony Sinanis
Superintendent of Schools
Herricks School District
