

Dear Herricks School District Community,

Happy Monday! I hope this email finds you all doing well and that everyone had a wonderful weekend. Our family enjoyed the weekend with some quality time together now that our son is home after successfully completing his first year at Hofstra. It has also been a productive couple of weeks here in Herricks with our spring concert series coming to an end, our spring sports season wrapping up, and our middle and high school students engaging in various assessments as we head towards the end of the school year. The incredible and special experiences continue to unfold in our schools and it is such an honor to spotlight them for our community!

Herricks' Happenings: Update #14

I am also excited to share our latest Herricks' Happenings video with you; I hope you can carve out 3 minutes to watch it today. Some of the highlights in this video include a shout out to our student musicians for their many incredible end of year concerts (*our youngest performers are in 3rd Grade and they were amazing*), an acknowledgment of our student athletes for a successful year, and a few other special end of year events and celebrations! Please click on the picture below to access the Herricks' Happenings video update and please email me if you have any feedback.
