

Dear Herricks School District Community,

Happy Tuesday! I hope this email finds you all doing well and that everyone is having a wonderful start to the week. It is hard to believe that we are midway through March and quickly headed for spring. It has been a busy few weeks in Herricks with one of the highlights being the near completion of the auditorium renovation at the high school. I am thrilled to announce that we will be having a Ribbon Cutting Ceremony for the HHS Auditorium on Thursday, March 23, 2023 at 7:30pm. In other news, I am also excited to share that after a survey of our high school students and our district faculty and staff, we have identified our district hashtag... #WeAreHerricks! Be on the lookout because our district hashtag will be featured in future posts and communications.

Herricks' Happenings: Update #9

I am also excited to share our latest *Herricks' Happenings* video with you today, which has a running time of about 2 minutes. Some of the highlights in this video include a shout out to our elementary schools for some recent events, an acknowledgement of our winter sports student athletes, and recognition of our MS Band students and HS DECA students! Please click on the picture below to access the *Herricks' Happenings* video update and if you have any feedback, please email me.
