

Dear Herricks School District Community,

Happy Monday! I hope this email finds you all doing well and that everyone had a wonderful and restful spring break. My family and I enjoyed our time together and especially appreciated the opportunity to attend Mets Opening Day at Citi Field and to celebrate Greek Easter with our entire family. We also made the most of the beautiful weather with a number of outdoor excursions. While the break was wonderful, I am excited to be back and am looking forward to the next several weeks, which will feature the District Budget Vote, a number of special events and the culmination of the spring sports season. Overall, this is such a wonderful time of year where we get to celebrate our students' growth and learning.

Herricks' Happenings: Update #11

I am also excited to share our latest *Herricks' Happenings* video with you today. I am particularly excited about sharing this update because it features our first guest of the year - Dr. GG! Dr. GG is a second grader from Denton Avenue School who won the opportunity to be Superintendent of the Day. We had an amazing day together and I am thrilled to spotlight her, and her perspectives, in this video. In addition to Dr. GG's appearance, the video provides information associated with the Budget Development process and specifically the upcoming Budget Vote. Watching this video will be the best 2 minutes of your day - I promise you will smile and get a lot of important information! Please click on the picture below to access the *Herricks' Happenings* video update and please email me if you have any feedback.
