

Dear Herricks School District Community,

Happy Thursday! I hope this email finds you all doing well and that the new year is off to a wonderful start. My family and I celebrated the holidays together and also made time to take in a couple of Broadway shows, enjoy long walks with our puppy and spend a lot of quality time together. The highlight has certainly been having our son home as he prepares for the start of the spring semester in a couple of weeks. It has also been an incredible start to 2023 here in Herricks with our students engaging in many meaningful learning experiences and participating in a number of impactful extracurricular activities which I am proud to highlight in this update.

### **Herricks' Happenings: Update #7**

I am excited to share our latest *Herricks' Happenings* video with you today, which has a running time of about 2 minutes. Some of the highlights in this video include a shout out to our 3 Regeneron Semi-finalists, a nod to our incredible Girls and Boys Varsity Bowling teams, a share of some of the classroom learning and an acknowledgement of our All-County student musicians! Please click the picture below to access the *Herricks' Happenings* video update and if you have any feedback, please email me.
