

Dear Herricks School District Community,

Happy Thursday! I hope this email finds you all doing well and that the week has been a positive and productive one. It has been an exciting time here in Herricks with one of the highlights being the Grand Re-Opening of our recently renovated Herricks High School Auditorium. We celebrated the re-opening by hosting the High School musical, *The 25th Annual Putnam County Spelling Bee*, which was a huge success! This is also a busy time across all content areas as students prepare for a number of NYS assessments and other standardized assessments, such as AP exams, which will take place in the coming weeks. We know our students are going to do incredibly well because they are such dedicated learners and they are supported by such knowledgeable and passionate educators.

### **Herricks' Happenings: Update #10**

I am also excited to share our latest *Herricks' Happenings* video with you today, which has a running time of about 2 minutes.
