

Dear Herricks School District Community,

Happy Friday! I hope this email finds you all doing well and that everyone is having a wonderful week. Our family has been enjoying the beautiful weather and adjusting to a slower and quieter pace at home since our son returned to college a couple of weeks ago. While we miss him terribly, we are excited for him to continue this phase of his journey. It also helps to be distracted by all the wonderful things happening here in Herricks over the last couple of weeks. Our schools, staff and students have been busy with a number of wonderful and meaningful learning experiences and events which I am proud to highlight in this update.

Herricks' Happenings: Update #8
