

Dear Herricks School District Community,

Happy Monday! I hope this email finds you all doing well and that everyone enjoyed the weekend and the unusually warm weather. Our family took advantage of the spring-like weather by spending time in Manhattan, where we did some exploring and took in a show. My son also surprised us and came home for the weekend. While he really only came home to do his laundry, it was wonderful to spend time with him as he prepares for the last few weeks of his first semester at Hofstra.

It has also been a fantastic couple of weeks in our schools and classrooms. Recently I had the opportunity to spend time with 6th graders who told me about their study of ancient civilizations, their independent reading selections and the various clubs they were participating in at HMS. I also spent time reading with elementary students and I really enjoyed hearing their reactions and responses to the various texts we explored. Finally, I want to thank everyone for coming out to make Homecoming so successful - it was an incredible experience!
