

Dear Herricks School District Community,

Happy Tuesday! I hope this email finds you all doing well and that everyone is having a wonderful start to the week. Things have been busy at home as our son officially wrapped up his first semester at Hofstra yesterday when he took his last final. We are thrilled to have him home for the next several weeks as we prepare to celebrate the holidays and new year. It has also been an excellent couple of weeks in Herricks where I have had the chance to attend a number of our extraordinary winter concerts at every level, I also witnessed a chili cook-off facilitated by our high school students and spent time with some first grade readers who shared their reading superpowers with me.

As we head towards the December break, I want to wish everyone celebrating a Happy Holiday season! May 2023 be filled with health, peace and joy for the entire Herricks School Community!
