D. Discuss New Board Member Onboarding

Before discussing the Onboarding new board members topic, Lindsey Hescock asked why the Exec Committee meeting agenda did not have an item to set the agenda for the February 26, 2024 full board meeting. Barb Wilson explained that the Board had originally decided not to hold a full meeting on the 26th, due to the Annual Meeting on February 27th, so there wasn't any business that needed attending. However, late last week we received notification that the Board needed to hold a disciplinary hearing on the 26th. That meeting will be conducted in Executive Session and has a very specific process, so there is no need to set an agenda for it.

Barb Wilson then presented some materials for consideration and review to create a process for on-boarding new board members. The group reviewed the existing materials used by former Superintendent Peter Burrows, Barb's list, and some suggested resources from the Wisconsin School Board Association.

The committee agreed on updating links and augmenting the existing orientation materials with additional resources, and adding some follow-up items to allow new board members to:

- Receive essential materials (including The Governance Core book and VSBA materials)
- Receive training in Boardpak & Robert's Rules of Order
- Meet with key ACSD administrators
- Learn about Board Committee work to inform choices on committee membership
- Schedule school visits
- Receive additional support/mentorship from the Executive Committee

Barb Wilson will update the links and try to reorganize the training presentation to provide an overview with a more in-depth follow-up. Mary Heather will develop some FAQs modeled after the WI School Board Association template to include in the on-boarding packet. The Committee also discussed posting the materials on the website to allow citizens interested in serving on the Board to better understand the role and commitment.
