Dr. Keith W. Hiltz, Superintendent of Schools

March 1, 2024

Dear Wausau School District Community:

As you know, one of our goals this year is to enhance communication within the Wausau School District. As part of that effort, at the beginning of every month, we send you a quick list of headlines (or important things) that you need to know.

Here are the headlines for March 2024:

- On Monday, March 4, Summer Learning registration information will be sent out! You'll be able to review the sessions being offered, as well as register your students. Summer Learning will begin on Monday, June 10th and run through Thursday, July 18th. Please watch your email and our Summer Learning webpage for more information.
- Friday, March 8th is an Independent Learning Day in the Wausau School District. As a reminder, your child will not be in school on this day, but will need to complete work assigned to them. Staff will be participating in professional development.
- Applications are still being accepted for superintendent of the Wausau School District. The deadline to receive applications is Friday, March 15. You can stay up-to-date on the hiring process, and review the responses from the community-wide survey, as well as the feedback from the focus groups, by visiting our Superintendent Search website.
- Friday, March 22 is the end of the third quarter. That means there will be no morning or afternoon Pre-K classes. In order for recordkeeping to be completed, elementary students will only have a half day of classes.
- Spring Break is March 25-29!

These are the headlines for March 2024. In the meantime, we will be sure to pass along any other important information and/or updates to you via email or by phone, if it's urgent.

Remember, you can stay up-to-date on what's happening in our schools anytime by following us on Facebook and Instagram, as well as our Wausau School District website!

Thank you!
Diana White
Communications & Marketing Coordinator

You can reach Diana White by sending her an email at dwhite@wausauschools.org. You can also call 715-261-0500. In addition, you can reply to this message and/or email communications@wausauschools.org to reach her.

It is the mission of the Wausau School District to advance student learning, achievement, and success.
