2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

As a brand-new school that opened for the 2021-2022 school year.

MANGINI RANCH ELEMENTARY VISION STATEMENT / MISSION STATEMENT

We expect all students, parents, and staff to work as a team to promote the maximum academic, social, and emotional growth of each student.

Mangini Ranch Elementary School is committed to carrying out its mission by:

1. Providing a safe and positive learning environment.
2. Providing caring and talented teachers.
3. Communicating effectively with parents and students.
4. Developing students' self-esteem.
5. Promoting student success and responsibility.
6. Recognizing positive growth and accomplishments.
7. Increasing the involvement of parents and the community in school activities.
8. Promoting comprehensive individualized academic expectations, through Response to Instruction/Intervention (RtI), Multi-Tiered Systems of Support (MTSS), or enrichment as needed.
9. Providing opportunities for students to enrich and expand their school experiences through both classroom and extra-curricular activities.

2023-24 School Description and Mission Statement

10. Promoting appropriate integration of technology into the classroom.

Mangini Ranch Elementary School is one of 21 elementary schools in the Folsom Cordova Unified School District. Located along the Highway 50 corridor, beautifully positioned in a well thought out neighborhood, surrounded by Folsom's finest establishments and scenery. Mangini Ranch Elementary is a 45000 square foot school that sits on approximately 10 acres. Upon the opening of the school, approximately 70% of our families are from out of the area. This new community has welcomed Mangini Ranch Elementary with open arms with supportive family and community members.

Mangini Ranch Elementary School provides a challenging curriculum while allowing students to explore and develop their interests and talents. Students are assessed formally throughout the year and ongoing assessments guide the development of appropriate interventions and enrichment programs to meet the needs of all students. Our Multi-Tiered Systems of Support (MTSS) schedule offers a reduced class size to provide instruction for students in Gifted and Talented Education (GATE) accelerated classes and targeted instruction for remediation and intervention. Due to the support of our Parent-Teacher Association (PTA), Intel Corporation funds, and parents, we will be offering extended day programs, interventions, Science Technology Engineering & Math (STEM) curriculum, and a variety of school clubs, (i.e., Chess Club, Robotics Club, Engineering, Computer Club, and Musical Theater).

Mangini Ranch Elementary School maintains a positive school environment through the teamwork efforts of our staff, students and parents. Our hardworking school staff is expected to model the behavior we expect from our students. We expect our students to be Respectful, Responsible, Friendly, and Safe. Our Blackboard Connect messages (voice, emails, and text) and School Wires web pages on our website allow for maximum communication from the school to the members of our community. Frequent communication and strong parent involvement allow for an informed and positive learning environment.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on August 24, 2023, and determine that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Mangini Ranch has 30 classrooms, a multipurpose, and an admin area. The school was built in 2021 as a single-building, two-story elementary school. It truly is a school of the future that puts student learning and collaboration first from collaboration areas within the pods from the indoor media center. Student learning doesn't just happen in the classrooms at Mangini Ranch; it happens in all learning areas. We are truly proud of our school and its beautiful setting.

Our custodial and district staff maintain our school and grounds so that it is clean and beautiful. Trash is routinely picked up, and the buildings are kept free of graffiti. We have benches for parents and students around the campus as well as shaded picnic tables bordering our playing fields. The facilities are checked each morning and evening by custodial staff for vandalism, cleanliness, and safety.

The LEA governing board has adopted cleaning standards for all schools in the LEA. A summary of these standards is available at the school office, at the LEA office, or on the Internet at <https://www.fcusd.org/Page/41590>. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The LEA participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist LEAs with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2023/2024 school year, the LEA has budgeted 3% percent of the LEA's general fund budget for the deferred maintenance program.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	81	78	48	48	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

As a brand new school that opened for the 2023-24 school year. District services are provided. Parent volunteers, interventions by highly qualified teachers, and extended day opportunities are available. Mangini Ranch Elementary School provides a thorough Back to School Night, Open House, committee meetings and principal/parent get togethers to facilitate better parent communication to support a strong home and school partnership.

District services are provided as needed or allotted. Staff, parents, and community members review site plans and goals through PTA, School Site Council, Parent meetings, and English Learner Advisory Committee (ELAC) meetings. School Site Council is composed of five or more parents and five or more school staff.

Mangini Ranch utilized a variety of outreach efforts for input and feedback on the development of our Single Plan for Student Achievement (SPSA). Our School Site Council (SSC) provides input into the plan during our scheduled meetings, noting areas of concern and growth. Our site council reviewed the final SPSA in October, and our staff reviewed the plan in October as well. In composing this year's SPSA, our principal reflected on teacher and community input collected anecdotally during the 2022-23 school year as well.

Throughout the year, Mangini Ranch involves our school community, including parents, staff, and students, in developing and monitoring our school plan. The following groups continue to monitor and have input into the plan throughout the year:

Site Leadership teams (Curriculum & Instruction Team/ Climate Facilitator Team, monthly)

School Site Council (SSC) meets 6 times a year (reviews and approves the plan by September 15, 2023; monitors throughout the year)

English Learner Advisory Committee (ELAC) minimum 3 times a year

Parent Survey (fall and spring)

Every Child by Name (ECBN) meeting three times a year

Consultations with the Director of Categorical Programs (ongoing)

Faculty meetings (LCAP workshop and review)

2023-24 School Safety Plan

Our school is safe and well maintained. At Mangini Ranch Elementary, we pride ourselves on school appearance and campus safety. Our custodial staff also takes pride in keeping our campus clean and beautiful. Restrooms and eating facilities are cleaned daily. Kindergarten tables are disinfected nightly. Classrooms are cleaned several times a week. Any safety hazard that is reported is reviewed immediately and resolved. Our School Site Council and the Board of Education review safety plans each fall. In the 2022-2023 school year seven (7) student accidents were reported.

Emergency plans have been developed in case a threatening situation should arise. The Emergency Plan is designed to give staff members and students guidance during emergency situations. Safety drills are held regularly to ensure that students and staff are well prepared in the event of an emergency. Our Safe Schools Plan encompasses disaster procedures, school conduct code and discipline, sexual harassment policy, and child abuse reporting.

Professional Development

Folsom Cordova Unified School District provided staff with two optional professional development days this school year. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; reading professional literature, and networking. District-sponsored in-service training is provided through Professional Learning Communities (PLC) training, lead teachers, Teachers on Special Assignment (TOSA), and site-level academic, reading, math, science, and technology coaches. Professional development was also offered on the Science of Reading (SOR), English language development, Positive Behavior and Intervention Supports (PBIS), and on other instructional practices. FCUSD district staff works collaboratively to provide an induction program for qualified new teachers and ongoing professional development workshop options.

It is the goal of Mangini Ranch Elementary to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. Our committed staff is always available to assist struggling students whether academic or emotional.
