

Folsom Lake High School

2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	Folsom Lake High School
Street	1655 Iron Point Road
City, State, Zip	Folsom, CA 95630
Phone Number	916-294-9055
Principal	Howard Cadenhead
Email Address	hcadenhead@fcusd.org
School Website	www.fcusd.org/FLHS
County-District-School (CDS) Code	34673303430709

2023-24 District Contact Information

District Name	Folsom Cordova Unified School District
Phone Number	916-294-9000
Superintendent	Sarah Koligian, Ed.D.
Email Address	skoligian@fcusd.org
District Website	www.fcusd.org

2023-24 School Description and Mission Statement

FOLSOM LAKE HIGH SCHOOL

Folsom Lake High Roadrunners

Vision:
Success through resilience and responsibility

Mission:
Through personalized support, FLHS provides an inclusive, educational community that fosters resiliency and academic success.

SLOs:
Folsom Lake High School students will become proficient learners, effective communicators, critical thinkers, and resilient community members.

Proficient Learners:
Students will develop the life skills to become lifelong learners.

Effective Communicators:
Students will build the skills necessary for effective personal and professional communication.

Critical Thinkers:
Students will apply knowledge to solve problems.

Resilient Community Members:
Students will strengthen the skills necessary to assume personal responsibility.

Responsibility
Students assume personal responsibility as a member of a family, a community, and the world by learning self-advocacy,

2023-24 School Description and Mission Statement

critical thinking, and social emotional coping skills and by making short term and long-term goals as a means of living in the present while planning for the future.

School & Community Profile:

Folsom Lake High School (FLHS) was established in September 1998 to provide an alternative educational setting for Folsom residents. The school operated on a traditional calendar, with new students enrolling each week. Folsom Lake High School was an accredited continuation high school for the Folsom Cordova Unified School District, a large suburban district whose boundaries include the cities of Folsom and parts of Rancho Cordova. The district has 20,553 students with twenty-one elementary schools, four middle schools, three comprehensive high schools, two continuation high schools, one community charter, one adult education program, one community day school program, and one independent study program with an additional satellite located on the Folsom Lake High School campus. Folsom Lake High School's population was previously drawn from Folsom High School, Vista Del Lago, Kinney High School (continuation) Walnutwood Independent Study program, and Prospect Community Day School.

The primary focus of FLHS was to provide a positive and supportive environment to enable and empower students to close credit recovery gaps to graduate on schedule, and gain skills they can use post-graduation in either college or a career. At the end of the 2019-2020 school year, the board voted to move Folsom Lake High School from its location at the corner of East Bidwell and Riley Street onto the Folsom High School campus. While initially, the plan was for Folsom Lake High School to have a bell schedule that was unique to their campus, and separate from Folsom High School, it was later realized that a bell schedule was synced between the two schools could be mutually beneficial for students on both campuses. By aligning bell schedules, Folsom Lake High School students could have access to a wider variety of elective credits than what had been historically offered. In addition, students with IEPs would have more options in terms of SIA support and all the services available on a large comprehensive campus.

In the second year of this reimagined model, Folsom Lake High School now offers personalized learning support for its students. This includes regular meetings between families, students, and their guidance counselors. Students had their schedules personalized to meet their needs through a combination of classes delivered via APEX and both A-G and non-A-G classes delivered via Folsom High School.

The school is supported administratively by Mr. Howard Cadenhead, Principal of Folsom High School, Ms. Suzanne Ambrosini, one of the Assistant Principals at Folsom High School, and Dr. Jim Huber, Assistant Superintendent of K-12 for the Folsom Cordova Unified School District. Other supports from Folsom High School, as well as the district as a whole, are available as needed to Folsom Lake High School. Mental health support is provided by the Folsom High School mental health specialists and identified special education students are case managed by Folsom High School teachers.

Direct instruction during class and "facilitated lab time" is the approach to academics at Folsom Lake High School. Students receive direct instruction and work independently within the APEX online curriculum. Students are placed in "a-g" (when appropriate) ranked classes, electives, and 9-week recovery or intervention classes based on the district's i-Ready assessments, grades, and individual student needs. Student placements are re-evaluated throughout the year based on teacher observations, grades, i-Ready scores, and transcripts. Integration of technology such as Smart TVs, Apple TVs, iPads, and 1-1 Chromebooks in every classroom assists with students' access to the curriculum. Technology integration supports 21st Century Learning as well as curricular goals and enables students to build job skills.

Students at Folsom Lake High School with an Individual Education Plan (IEP) are part of the caseload of Special Education Teachers at Folsom High School which communicates IEP requirements (accommodations/modifications) to teachers and support staff, monitor progress on student learning goals, facilitate IEP meetings, provide SAI where needed, etc.

Students at FLHS participate in all state testing. Juniors take the California Assessment of Student Performance and Progress (CAASPP) test each year, and English Language Learners (ELL) will take the yearly English Language Proficiency Assessments for California (ELPAC). FLHS closely monitors attendance and suspension rates, as well as each student's progress toward graduation. Staff uses the Positive, Behavior, Interventions, Support (PBIS) a tiered intervention process to monitor student performance and interventions, and as a way to establish positive relationships with students.

There is a strong desire for the Folsom Lake High study body to maintain a sense of school community and Folsom High strives to promote this vision. FLHS students are able to participate in FHS activities, including athletics, clubs and graduation.

A classroom on campus is also provided as a satellite location for the Walnutwood High School independent study program.

WASC

Folsom Lake High successfully completed a visit in the spring of 2023 and was awarded a 3-year accreditation that will be up

2023-24 School Description and Mission Statement

for review again in June 2026.

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 11	30
Grade 12	54
Total Enrollment	84

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	34.5%
Male	65.5%
Black or African American	13.1%
Hispanic or Latino	29.8%
Two or More Races	15.5%
White	40.5%
English Learners	15.5%
Homeless	4.8%
Socioeconomically Disadvantaged	39.3%
Students with Disabilities	31%

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	2.20	41.11	820.90	87.93	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	3.60	0.39	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.10	2.41	8.90	0.96	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.80	15.19	11.60	1.24	12115.80	4.41
Unknown	2.20	41.11	88.40	9.48	18854.30	6.86
Total Teaching Positions	5.40	100.00	933.60	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	2.60	50.10	893.90	90.67	234405.20	84.00
Intern Credential Holders Properly Assigned	0.00	0.00	7.40	0.76	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	1.10	21.52	9.40	0.96	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.40	8.57	12.70	1.30	11953.10	4.28
Unknown	1.00	19.62	62.20	6.31	15831.90	5.67
Total Teaching Positions	5.20	100.00	985.90	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.10	1.10
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.10	1.10

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.80	0.40
Total Out-of-Field Teachers	0.80	0.40

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	40
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on August 24, 2023, and determine that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Year and month in which the data were collected	2023 August
--	-------------

School Facility Conditions and Planned Improvements

Folsom Lake High is located on the Folsom High campus and uses Folsom High facilities. The following addresses Folsom High's "School Facility Conditions and Planned Improvements":

Folsom High School/Folsom Lake High is located along Highway 50 and serves the growing city of Folsom in Sacramento County. Single-family homes, apartments, and business structures continue to be built at a rapid pace. A new community, Folsom Ranch, is currently under development on the south side of Highway 50 and is expected to add 10,000 new homes, a new high school, a middle school, and five elementary schools over the next decade or so. FHS, built in 1922, was the first high school within FCUSD and moved to the present campus in the fall of 1998 and has 101 classrooms. The campus sits on sixty-five landscaped acres abutting a reservoir and includes several athletic facilities and fields as well as a professional theater. Even though the facility is 22 years old, it maintains an overall good state of repair, and many who see the campus for the first time mistake it for a community college. The school includes a Learning Resource Center (library), TV studio, theater complex, stadium complex, seven computer labs, two gymnasiums, weight room, dance room, science labs, food service area, and many academic classrooms. In November of 2014, the Folsom Community overwhelmingly passed the Measure G schools bond in order to support the addition of new school facilities and to support facility upgrades, technology, and infrastructure updates. In the summer of 2017, Folsom High School added the Measure G-funded auxiliary gymnasium and physical education classroom. Additionally, the bond-funded the installation of 80-inch televisions or projectors, Apple TVs, and iPads in every instructional space on campus. Our new Career Technical Education (CTE) building was completed in August 2020. The new CTE building houses the Manufacturing and Product Development, computer science, engineering, and architect pathways,

The LEA governing board has adopted cleaning standards for all schools in the LEA. A summary of these standards is available at the school office, at the LEA office, or on the Internet at <https://www.fcusd.org/Page/41590>. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The LEA participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist LEAs with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2023/2024 school year, the LEA has budgeted 3% percent of the LEA's general fund budget for the deferred maintenance program.

Date of inspection: October 9, 2023

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	17	0	59	58	47	46
Mathematics (grades 3-8 and 11)	0	0	48	48	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 Career Technical Education Programs

Folsom Cordova Unified School District defines its career pathways following the 11 Elements of High Quality CTE Programs and the requirements of Perkins V (Strengthening Career and Technical Education for the 21st Century Act). The Career Technical Education (CTE) Program at Folsom Lake High School prepares students for college and career readiness. The CTE program is offered in the Marketing, Sales, and Service industry sector and Marketing pathway.

The pathway is supported by a two-course sequence that offers rigorous, hands-on, project-based learning. CTE courses include Principles of Marketing and Advanced Marketing.

Individual student assessment of work readiness skills in CTE programs takes place through end-of-course exams, projects, portfolios, industry certifications, and other means. Summer work-based learning is available through the District's CTE Summer Preceptorship Program.

The support and development of student leadership, professional skills, service learning, and work-based learning is supported by a school chapter of the Business, Marketing, and Entrepreneurial Career Technical Student Organization, DECA.

The CTE Advisory board meets annually and is comprised of stakeholders, business partners, college representatives, and students.

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission	2.38
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	0

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
-------------	----------------------------------	--	---	---	-----------------------------

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Folsom Lake High School does not have a formal Parent Teacher Student Association organization. However, community volunteers have been active on campus during the school year. All parents are part of the enrollment process and participate in an orientation program. We encourage parent participation in our annual "Back to School Night". Parents are encouraged to keep in contact with the principal and with their student's teachers and they have done so with frequent regularity. Folsom Lake High School utilizes Power School Parent Portal, an online communication program made available to parents by the district. Parents are able to monitor the academic and attendance progress of their students on a daily basis. Parents are also represented on the School Site Council. The following parent organizations that are currently active at Folsom High School, also support families at Folsom Lake High School:

The Parent Teacher Student Association (PTSA) is committed to supporting quality education and good health and welfare for all Folsom High School students. The PTSA meets once a month. They welcome new parents and encourage them to get involved.

The Athletic Booster Club supports all the sports programs and offers parents an opportunity to become involved in their son/daughter's athletic endeavors. Athletic booster club members often develop new friendships with parents who have similar interests.

The Music Booster members are dedicated to promoting music education for all students. They support events and competitions hosted by Folsom High School. Whenever possible, they work collaboratively to assist the middle schools and partner with local civic organizations.

The School Site Council (SSC) is comprised of parents, students, and staff. The SSC's basic principle focuses on the individuals who are most affected by the operation of their school and provides them with a major role in the decision-making process regarding how their school functions. The SSC annually develops and revises the school's site improvement plan.

Parents have recently served on the school's Positive Behavior, Intervention, and Support/Challenge Success team which has worked with Stanford University to improve the achievement and health of all students.

Parents are also serving as parent representatives on the school's Culture and Diversity Student Council, which includes 87

2023-24 Opportunities for Parental Involvement

students, 5 teachers, 2 counselors, 2 administrators, 1 mental health specialist, and 3 parents.

For additional information about Folsom Lake High School, please contact Howard Cadenhead, at 916-294-2400.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23

2023-24 School Safety Plan

As Folsom Lake High School is located on the Folsom High School campus, they follow the Folsom High School safety plan. The following addresses the Folsom High, Comprehensive Safety Plan:

The safety of students and staff is a primary concern of Folsom High School/ Folsom Lake High School. If a safety hazard has occurred, it is immediately reported and resolved. Safety plans are reviewed and revised during both the fall and spring semesters.

Folsom High School / Folsom Lake High School participate in the "Hour Zero" emergency program. Emergency plans have been developed for almost every conceivable situation. Folsom High School's "emergency plan and procedures" and the school's unique "emergency supply bag in every classroom" program are considered to be a model program by the Sacramento County, Fire, Police, and Community Agencies.

Zero student accidents were reported during the 2022-2023 school year.

Professional Development

Folsom Cordova Unified School District provided staff with two optional professional development days this school year. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; reading professional literature, and networking. District-sponsored in-service training is provided through Professional Learning Communities (PLC) training, lead teachers, Teachers on Special Assignment (TOSA), and site-level academic, reading, math, science, and technology coaches. Professional development was also offered on the Science of Reading (SOR), English language development, Positive Behavior and Intervention Supports (PBIS), and on

Professional Development

other instructional practices. FCUSD district staff works collaboratively to provide an induction program for qualified new teachers and ongoing professional development workshop options.

In addition to the two days of professional development, a cadre of teachers from the district, in conjunction with the Curriculum and Instruction team at the district office, will be offering additional professional development throughout the school year. PD will be related to subject area specific needs, adopted curriculum, continued support of technology/learning platforms now being used by the district, Social Emotional Learning, differentiated instruction, etc. The Curriculum and Instruction team from the district office uses district wide and school specific data, as well as teacher surveys, to create professional development opportunities throughout the school year.

In addition to professional development training, the entire staff meets two times per month to discuss Positive Behavior Intervention Strategies (PBIS) for students who are not being successful in school due to their behavior, emotional needs or academic challenges. The school's MFT provides staff with additional training and support throughout the year, such as Mindful exercises, protocols for students in crisis, and strategies to support students that are struggling in the classroom.

Professional Development & Collaboration Plan
Folsom Lake High School
2021-2022

Professional Development August 10th - 11th:

- Microsoft teams
- Google Classroom
- Seesaw
- Screencast-O-Matic
- Distance Learning Tools to Engage EL Students
- Learning to Jamboard
- Building On-line Choice Boards
- Surviving and Thriving in a Digital Environment
- SEL 101
- Assessment in Distance Learning
- Trauma – Informed Care
- Why PLCs are Needed More Than Ever
- Finding Your Teacher SuperPowers in a Digital World
- Smart Learning Suite
- Suicide Prevention
- Unit Building for the Digital Classroom
- Designing Virtual Social Groups
- Establishing Digital Relationships, Routine and Resiliency at the Secondary Level
- How to Make and Use a Bitmoji Classroom
- Incorporating Behavioral Supports in a Digital Environment
- Developing a Distance Learning Plan

Upcoming PD:

- StudySync
- I-Lit
- Controversial Topics in History
- APEX
- SEL
- Future PD developed from needs identified through student data and faculty surveys.

Collaboration Time:

- 75 Minutes of designated PLC time on Mondays
- Various opportunities during Asynchronous time Tuesday - Friday

This table displays the number of school days dedicated to staff development and continuous improvement.
