2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

School Vision:

We are a welcoming school that collaborates as a team and with families to help students learn, grow, and lead.

School Mission:

2023-24 School Description and Mission Statement

Carl H. Sundahl Elementary will nurture our students in their social and academic development by providing high quality instruction and establishing partnerships with families and the community.

School & Community Profile:

Carl H. Sundahl Elementary School has served students residing on the northwest side of the American River in Folsom since September 1987. We operate on a traditional year calendar and serve students from Preschool to Fifth Grade. Our student enrollment is approximately 394 students; 17 percent of our students qualify for Free or Reduced Meals, six percent are English Learners, and three percent are Homeless. The surrounding neighborhood is populated with families who are eager to participate in the education of their children.

Carl H. Sundahl Elementary was completed and remodeled in 2018. The updated campus includes beautiful new classrooms, restrooms, playgrounds, and a school library. Our campus currently houses 18 classrooms, a Learning Center, a Science Lab, and a Student Care Center.

Currently, we have 14 General Education classes, one multiage Montessori classroom, and two intensive support Autism classrooms. Our multipurpose room/cafeteria complex includes a stage/music room as well as a serving kitchen and an indoor basketball court. All classrooms are equipped with Internet access for curriculum and research support. Chromebooks are available on campus for student use in classrooms and for home checkout.

At Carl H. Sundahl Elementary, our primary goal is to prepare our students to become responsible citizens and productive, caring members of society. Our strong educational programs work to support each student to master essential standards. Opportunities for differentiated instruction are available for all students, including those identified for Gifted and Talented Education (GATE). Intervention programs include grade level Multi-Tiered System of Support (MTSS) times, classroom based Response to Instruction (RtI) interventions, and small group reteaching. A wide variety of curriculum and enrichment activities are offered by staff and parent volunteers, including Parent Teacher Association (PTA) Movie Night, Cool2BeKind Week, Merrily We Walk to School, Starstruck Showcase Dance Performance, Dolphin Art, Author's Day, Accelerated Reader Celebration, District Track Meet, and the Dolphin Dash jog-a-thon.

We strive to provide an academically challenging curriculum in a caring and positive school environment. Our highly skilled staff is comprised of veteran teachers and two National Board Certified instructors. We have a strong schoolwide Positive Behavioral Interventions and Supports (PBIS) program utilizing The Dolphin 5 (Be Respectful, Be Responsible, Be Safe, Be Friendly, Be Productive) standards. We recognize and celebrate student progress and achievements. We have an active Student Council that leads spirit activities and community service on campus. Carl H. Sundahl Elementary has a strong and supportive parent community. Parents volunteer in classrooms and on field trips. Our Parent Teacher Association (PTA) plans activities and events that serve as a positive connection between home and school and provide financial support for key programs.

We use Blackboard Connect messaging, the school marquee, our Schoolwires web page, and monthly newsletters to help keep the community informed and engaged.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on August 24, 2023, and determine that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements

Carl H. Sundahl Elementary has 18 classrooms, a multipurpose room, and an administration building. The main campus was built in 1988 as all portables and received a modernization with permanent buildings in 2017. All classrooms are equipped with a document camera and a Promethean Board. We also have a large playing field, play structure, and blacktop for recess and Physical Education (P.E) classes.

The LEA governing board has adopted cleaning standards for all schools in the LEA. A summary of these standards is available at the school office, at the LEA office, or on the Internet at <https://www.fcusd.org/Page/41590>. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school .

The LEA participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist LEAs with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2023/2024 school year, the LEA has budgeted 3% for the deferred maintenance program from the LEA's general fund budget.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	77	75	48	48	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

With help from the school PTA, we provide parental engagement through family nights, weekend events, and adult education programs. Parents volunteer - tutoring target students, supporting special programs and events and enabling classes to take educational field trips off-site - enriching and extending learning in wonderful ways. Family education events range from enrichment assemblies on science and math to formal training that supports parenting such as Love and Logic.

We maintain a robust website that receives thousands of visits monthly that we use to communicate with and engage our community about instruction, intervention, and supplemental learning opportunities.

2023-24 School Safety Plan

Our school is safe and clean. With 19 brand new classrooms on campus, everything is new and in good working order. All restrooms and eating facilities are cleaned daily. Classrooms are cleaned every other day. Any safety hazard that is reported is reviewed immediately and resolved. In the 2022-2023 school year, there were seven (7) accidents reported on campus. Each accident was minor and addressed immediately. Safety plans are reviewed each fall; maintained and followed throughout the school year. Emergency plans have been developed in case a threatening situation should arise.

Our Safety Committee meets regularly to address concerns and to update and improve our emergency procedures and response time. We work closely with the Folsom Police and Fire Departments. Evacuation routes are in place and an emergency folder with supplies and class lists is kept up-to-date in every classroom. Safety drills are held monthly with students. We maintain a closed campus. Once school starts, gates are locked and all students and visitors enter the school through the Office.

Professional Development

Folsom Cordova Unified School District provided staff with two optional professional development days this school year. Teachers participated in trainings and collaborative work aligned to Professional Learning Community (PLC) practices. Professional development was also offered on the Science of Reading (SOR), English language development, Positive Behavior and Intervention Supports (PBIS), and on other instructional practices. Teachers and classified staff are encouraged to sign up for after school classes and workshops that support their classroom practice. District staff, including Teachers on Special Assignment (TOSA) and Induction Mentors, provide one-on-one support and assistance for qualified teachers.

At the school site, professional development is focused on ensuring students master essential standards through collaborative work in Professional Learning Communities.

This table displays the number of school days dedicated to staff development and continuous improvement.
