

Account Information

Fill in the blanks

Launchpad Username: _____
Student ID Number

Gmail User Name: _____@p12fwps.org
Student ID Number

Microsoft Office User Name: _____@fwps365.org
Student ID Number

Password: _____

Sign on to Launchpad at: <https://learn.fwps.org>

The Launchpad password opens all your FWPS apps. But each scholar has 3 different user names. If you're having login trouble, double-check your username is correct, along with your password.

The image shows a screenshot of the "Launchpad to Learning" login interface. At the top, a blue banner contains the text "Please login using your FWPS login username & password (no need to use email address)". Below this is the Federal Way Public Schools logo, which is a blue circle containing a white silhouette of a person holding a torch. Under the logo, the text "Launchpad to Learning" is displayed in a large, bold, blue font. Below this text are two input fields: "Username" with the placeholder text "Student ID Number" and "Password". Below the input fields are two blue buttons: "Sign In" and "Sign in with QuickCard". At the bottom of the form, there is a small link that says "click if forgot my password".

For login help, contact Laura Anderson: 253-945-5842 or lauander@fwps.org

Classes and assignments are in Canvas. Click the Canvas icon to open.

My Weekly Schedule

Create your custom learning schedule. Fill in your study time and include breaks and lunch.
