Balancing Your Day

Wellness is important - We need balance to be healthy - Use this tool to plan for a balanced course load next year

(Note: plan for your hardest semester/day of the week)

Activity	Amount of Time Required	Time Remaining
Hours in a day	----	24 hours
School, including Tutorial (8:00 – 3:30)	7.5 hours	16.5 hours
Sleep (American Pediatric Guideline is 9 hours a night for teenagers)		
Extracurriculars (sports, music, clubs, church, volunteering, work)		
College Planning for 11 th & 12 th gr (applications, SAT/ACT prep, etc.)		
Personal & Social time: (family, friends, recreation, computer use)		
Meals (not including at school)		
Other (Travel time, getting ready, etc.)		

How much time is left?? 

Homework: Note: every student is different. (Guideline: 2 hours per day plus incremental 30 minutes per AP class)		
--	--	--

In choosing which classes to take, consider what subjects you enjoy the most and have a passion for studying. Keep in mind that the majority of college freshman take three college classes per quarter. This is equal to three AP classes here (in addition to the other classes you will take).
