

# CTE SPOTLIGHT

CAREER AND TECHNICAL EDUCATION, March 2021

**Marilyn Henselman**  
Director of Career and Technical Education Programs

## REGISTRATION IS HERE!!

## INFORMATION

If you missed the CTE Town Hall that was held on February 9, please watch the recording to see information regarding all our CTE career pathways from middle school to high school. The information provided during this session was intended to help parents and students understand the many career pathways available through the Bellevue School District.

You may also want to review the CTE Career Pathways book that outlines each career pathway with a 6-year student plan from middle to high school for each career pathway. The book also explains all college credit opportunities and industry recognized certifications that are possible under these career pathways. Below are the links for these resources:

**CTE Career Pathways Book:** <https://bsd405.org/wp-content/pdf/cte/CTE-career-pathways-2021-2022.pdf>

**CTE Town Hall Recording:** <https://youtu.be/VH34oJJsqPw>

## WANIC OPEN HOUSE IS TOMORROW, PLEASE JOIN THIS VIRTUAL EXPERIENCE!

**WANIC Skill Center Virtual Open House**  
**Full Year Skill Center classes offered for 2021-22**  
**Tuesday 3/9/2021 5:30-7:00 pm**

Links to join the virtual meetings will be posted at <https://wanic.lwsd.org/about-us/open-house>

**Virtual Open House**  
**Tuesday 3/9/2021**  
**5:30-7:00 pm**

[wanic.org](http://wanic.org)

**WANIC Skill Center offers high quality tuition-free skill center classes designed for high school juniors and seniors.**

These year-long, advanced-level programs are based on rigorous academic and industry standards preparing students for career and college readiness.

WANIC programs offer dual credit opportunities (high school and college credit) and/or lead to industry certifications.

Programs are designed in three period blocks which allows extended learning time and authentic hands-on lab experience.

Skill Center classes are offered at many local high schools in our area, DigiPen Institute of Technology and Lake Washington Institute of Technology.

Students enrolled in these school districts are eligible to apply Bellevue, Everett, Issaquah, Lake Washington, Mercer Island, Northshore, Riverview, and Snoqualmie Valley.

All classes are offered during the regular school day, while some are also offered after the school day. Students attend their home high school for part of their day and attend WANIC Skill Center programs in a different location for the remainder of the day.

Bellevue School District offers, on our campuses: Culinary Arts and Advanced Culinary Arts at Newport; CISCO Academy CCNA and CISCO CCNP at Newport; Automotive Technology 1 and 2 at Bellevue, Health Science Careers at Sammamish, and **NEW** this year Building Industry Technology-Core Plus Construction at Interlake High School. Come join the fun! All students can register for these classes!

Career & Technical Education opportunities for high school students

## HIGH SCHOOL AND BEYOND PLAN – DON'T FORGET TO GET THIS DONE!

The High School and Beyond Plan is a state mandated requirement for all students in Washington. In order to graduate specific activities must be completed prior to graduation. The counseling staff and the College and Career Advisors will or have contacted students regarding these requirements during workshops and class meetings. The activities are primarily self-driven and can be completed at home. Students will log onto Naviance to get access to these activities! Here is the list of activities that should be completed this year for all students grades 9-12: (Seniors must have all items below completed!)

### Freshman:

- Four Year Course Plan
- The Game Plan Survey

### Sophomores:

- Career Interest Profiler

### Juniors:

- Resume
- The Graduation Pathway Survey

### Seniors:

- The Financial Aid Survey
- The Graduation Survey (To be completed in June 2021!)

If you need any assistance, please contact your school College and Career Advisor to help you complete the High School and Beyond Plan!

## DECA PROGRAMS MOVE ON TO INTERNATIONAL COMPETITION!

Over the course of the school year, the DECA students from Bellevue School District have been busy practicing their skills to compete in various business and marketing competitive events. After qualifying at Area, Regions and State, many students have now qualified for the International Career Development Conference in April. Students have truly showed their resilience and have adapted to the many new formats of instruction and competition this year. Congratulations to the following students and their advisors as they move to the International level of competition! We wish them luck as they compete in April.

### Bellevue High – Tammi Riggers, Advisor:

First Name	Last Name	Event	Place at State
Kelly	Hong	Entrepreneurship	6th
Dora	Chen	Business Law and Ethics	2nd
Siqi	Zhao	Business Law and Ethics	2nd

Nathan Kim	Principles of Finance	1
Charlize Yeh	Quick Service Restaurant Management Series	7
Veronica Hsu	Retail Merchandising Series	4

### CONGRATULATIONS!!!

## PACIFIC NORTHWEST COLLEGE CREDIT – REGISTRATION IN DECEMBER

Pacific NW College Credit is simply college credit through a consortium called Pacific NW College. The colleges that are part of our consortium and serve Bellevue School District students are Bellevue College, Cascadia, North Seattle, Shoreline, Clark, Lake Washington Institute of Technology, Renton Technical College, and Edmonds College. These colleges review our curriculum and our state approved frameworks. Once approved by the college program, they issue college credit at a reduced cost. **This year the cost is \$50.00 for an entire year of classes, as many as you can take from the list below!** Students can earn college credit while taking classes at their high school but must maintain a “B” or better grade to qualify. Here is what the list will provide you below:

- High School **Course Title** will be the class the student is currently enrolled in at their high school.
- **College Providing Credit** is the college issuing the credit, you will have to select one if there are multiple colleges providing credit. You cannot earn credit for the same class at multiple locations.
- **College Course Title** is the college course that our class has been articulated to.
- **Credits Available** is the number of credits earned after completing the course with a “B” or better.

Registration for courses is now open and will accept student registration until the first week of June. Our current articulations are listed below:

### Tech Prep Articulations

*BC-Bellevue College; LWTech -Lake Washington Institute of Technology; SCC-Seattle Community College; RTC-Renton Technical College; EdCC – Edmonds Community College; CC-Cascadia College*

Course Title	College Providing Credit	Course Number and Title	Credits Available
<b>ACCOUNTING 1 and 2</b> <i>(Accounting 1 and 2 students must take both to receive credit.)</i>	BC	ACCT 101 – Practical Accounting 1 ACCT 135 – Business Payroll Accounting	8

If you are having problems registering for classes, payments, transcripts, or other questions, please contact Tanya or Amy, who are listed below. Bellevue School District does not have access to these systems and these issues can only be solved by Pacific NW College.

#### CONTACT INFORMATION:

Website: <https://www.pnwcollegecredit.org/>

Tanya Rettinger, Director

(425) 564-2774

[tanya.retinger@bellevuecollege.edu](mailto:tanya.retinger@bellevuecollege.edu)

Amy West, Program Specialist V

(425) 564-6158

[amy.west@bellevuecollege.edu](mailto:amy.west@bellevuecollege.edu)

#### PACIFIC NW COLLEGE STUDENT REGISTRATION INSTRUCTIONS:

1. Go to <https://www.pnwcollegecredit.org/>
2. Click "Register"
3. CLICK HERE to begin registration. Select "Students Click Here."
4. Select the option relevant to you:
  - If you have NEVER REGISTERED for credit before, click on "Create an Account" in the top left corner.
  - **Note:** Save your logon and password; use your home email & contact information; your school does not have access to retrieve your account or your logon/password.
  - If you are a RETURNING STUDENT, you may login with your User Name and Password OR your Tech Prep ID number and birth date.
5. To find available classes, click "Register for Classes." Your high school will auto-populate. Do not fill out any other fields. Click "Go Search".

6. Place a check in the box to the left of the classes you are currently in and click the "Register" button in the top-left navigation menu.
7. On the next screen, click the checkbox for the teacher who is teaching your class.
8. When you've made your selections, click "Save & Register."
9. If you have provided an email address, a confirmation will be emailed to you. If not, you may want to print a copy for your records.
10. Pay your \$50 consortium fee at <http://pay.techprepcc.org>.

**IMPORTANT** -- your \$50 annual fee covers ALL classes you register for during one school year.

**PLEASE NOTE** -- YOU ONLY PAY ONCE PER SCHOOL YEAR - regardless of the number of classes you are requesting credit for nor the number of credits. ***This fee is NON-REFUNDABLE!!!***

#### RENTON TECHNICAL COLLEGE

- Students must achieve a C (2.0) or better grade in the high school course(s) to qualify for college credit.
- Apply for admissions via <https://www.rtc.edu/Admissions-Entry-Services>. Once your application is processed, you will receive your RTC Student ID number.
- Transcript the college credit upon 1) request of the student within two years of the student's high school graduation; 2) presentation of high school transcript; 3) completion of admissions process including payment of fees; and, 4) verification of the articulation.

***If you have any questions, please feel free to contact our CTE office:***
