## Assessment Types

IB Assessment is a combination of in class work (essays, lab reports, oral exams, portfolios etc.) from throughout the two years of the program and written examinations in May. There are two levels of assessment.

- Higher Level (HL) – To complete an HL assessment, students must take a 2-year sequence of courses with content from the IB syllabus
- Standard Level (SL) – To complete an SL assessment, students may 1) complete a 2-year sequence of courses with content from the IB syllabus or 2) complete a 1-year course specifically designed to meet SL syllabus requirements.

Students enrolled in an HL course may choose to take an SL assessment.

## Diploma Requirements

- 3 (or 4) HL assessments
- 3 (or 2) SL assessments
- TOK Exhibition and Essay
- Extended Essay
- CAS Program

## Assessment Registration for Diploma

- 2 SL Assessments may be taken during the Anticipated year (grade 11)
- 4 to 6 Assessments are taken during the Diploma year (grade 12)

*Students may take extra exams any year. Students must notify the Diploma Coordinator of extra certificate exam requests.*
