Important Reminder From Waste Management:

No plastic bags should be placed in recycling containers. This is now considered contamination. Recyclable materials should be placed loosely in the container and the plastic bag should either be reused, taken back to the retailer, or disposed of in the trash container. FAILURE TO ELIMINATE PLASTIC BAGS AND LINERS WILL RESULT IN CONTAMINATION CHARGES.

Dante Mattioni DMD-043 Division of Sea Cadets

Maritime Middle School

Fifth and sixth grade students went on a field trip to the Walnut Street Theater to see the production of *A Christmas Carol* as part of their study about winter holidays around the world.

7A did a "mug exchange" with hot chocolate generously provided by Mr. Braunstein. Students were excited to celebrate the upcoming holiday season.

December Dances for 5-8th grades were planned and chaperoned by Ms. Fredericks, Ms. LaVerghetta and many other middle school teachers who volunteered their time after school. Our "Let It Glow" theme was a huge success and the students had a fantastic time.
