Important Reminder From Waste Management:

No plastic bags should be placed in recycling containers. This is now considered contamination. Recyclable materials should be placed loosely in the container and the plastic bag should either be reused, taken back to the retailer, or disposed of in the trash container. FAILURE TO ELIMINATE PLASTIC BAGS AND LINERS WILL RESULT IN CONTAMINATION CHARGES.

Dante Mattioni DMD-043 Division of Sea Cadets

On October 3rd, under the guidance of Chief Hentnick & Mrs. Karnes, the Sea Cadets conducted man-overboard drills, learned about various types of safety gear, and experienced the incredible speeds of Coast Guard's small boats.

Our Sea Cadets met a Vietnam veteran, Bill Wolfe, who served as an E3 aboard the USS New Jersey from 1968-1969. Wolfe was a rescue swimmer on board.

Our Sea Cadets and a several seniors visited the Coast Guard Training Center in Cape May, NJ. The cadets were instructed on how to properly march and form up. Additionally, they observed a recruit graduation and ate chow in the mess hall.

The Sea Cadets conducting anchoring training with the Coast Station in Philadelphia. After training, they enjoy a much-deserved meal on the mess deck.

The Sea Cadets of the Dante Mattioni DMD-043 division enjoyed the firepower tour of the USS New Jersey on October 18th.

Maritime Middle School

Vol.5 - November 2018

Ms. Sticco and Ms. Rizzo use kinetic sand as a reward for good behavior. The students have to earn a set amount of Class Dojo points in order to get their 10 minutes with the sand.

Maritime cadets braved the cold winds to go sailing on the Delaware river at Corinthian Yacht Club.

Mr. Walsh kissed a pig to raise money for our school. The students who sold the most Hershey candy boxes were invited to attend the event. Thanks for taking one for the team, Mr. Walsh.

This week, Mr. Wyatt's science class completed dissections. The students started with a pickle in order to learn how to properly use a scalpel, forceps, scissors, and other tools. Once they mastered the technique, they moved onto crayfish and frogs. The students learned about the internal structure of crayfish and how the organs are all interrelated throughout the body of a frog.

From the Middle School Principal's Corner:

The Middle School and High School CLC program hosted a Lights On After School event on October 25th in Building 41. The event showcased our CLC programs and community programs in the surrounding area. Students and their families enjoyed activities and refreshments while learning about everything our school has to offer.

High school cadets Patrick Berk, George Funke, Destiny Broughton, and Hope Martinez demonstrated the MACHS mission and Navy core values of honor courage and commitment.

Mrs. Heiland's class got in the Halloween spirit and practiced identifying inferences using special task cards.

Mr. Macmurray's 8th grade Social Studies reenacted the event prior to the the Boston Tea Party by tossing their own tea "overboard."

Important Dates

- 11/1: Candy for Navy/Canned food drive
- 11/5: Yankee Candle sale ends
- 11/16: Dinner of Thanks
- 11/19 - 11/20: Pie Sale
- 11/20: Canned food drive ends
- 11/30: Dress Down Day

From the High School Principal's Corner:

On Tuesday, October 24th, Maritime Academy High School held its annual Open House. All of the teachers, administrators, and staff were present to highlight the best of Maritime for the prospective students and their parents. The Open House was a huge success and brought in many families. Our very own Sea Cadets conducted tours for the students and their families. We're looking forward to these families joining our Maritime community in the near future.

Chief Hentnick's classes learning valuable maritime skills.

Mr. Vargha's history class integrates maritime history.

Maritime High School

Vol.5 - November 2018

On October 15th, Chief's Introduction to Transportation class met with an admissions counselor from SUNY Maritime College. The counselor provided information about various options for after high school.

Mrs. Ferrigon's class making observations of the outside world and getting scientific with M&M's by counting and calculating the percentage of each color in a tube of M&Ms.

Mrs. Curley and Mrs. Gara took thirteen students from the high school to the CCP Chef for a Day program on October 25, 2018. The program divided the students into three groups: preparing an appetizer of bruschetta, the main course of fried chicken, and the decoration of their own personal devil's food cupcake. At the end of a three-hour demonstration, the students finally had the opportunity to enjoy the fruits of their labor.

Homecoming Dance
