Elementary School

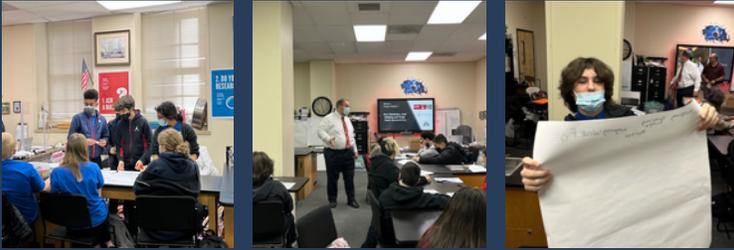

Basketball Time!

The basketball season is upon us and the girl's basketball team is doing amazing!

Conflict Resolution

Ms. Giacino's class and the entire 8th grade were part of Conflict Resolution training. Students learned about peer mediation and how to work through different types of everyday conflicts.

Candy Grams

SGA representatives put together and sold Candy Cane Grams to help raise funds for the Holiday Giving Drive. The money raised was used to help Maritime families in need during the holiday season.

BioEYES in 7th Grade

Ms. Brazzel's 7th grade class engaged in a week-long scientific investigation sponsored by BioEYES, a K-12 Education Outreach Program that uses a live Zebrafish to engage students with hands-on learning about the development, growth and inheritance of traits in Zebrafish.

Holiday Time at the Elementary School

The month of December was full of joy in the elementary school. Students participated in a hot chocolate day, sang Christmas carols, build gingerbread houses as a STEM activity, and wore their favorite pjs for Polar Express Pajama Day. Also, a holiday themed dress-down day raised money for the holiday giving drive. Students and staff were awarded prizes for their Ugliest Sweater.

High School

Basketball Time!

The basketball season is upon us and the boy's basketball team is doing amazing!

Holiday Music Concert

The holiday music concert was absolutely beautiful. Thank you Mr. Killian, students, and all teachers and staff who participated!

Boat Building

High school students are ready to head to the Seaport Museum for some hands-on boat building!

Pre-AP Romer and Juliet

The Pre-AP English I students re-enacted the opening street scene and fight in Romeo and Juliet.

Holiday Time at the High School

The month of December was full of holiday spirit. SGA prepared candy grams, administration attended a Maritime holiday party, and the students dressed-down in pjs, holiday attire, and ugly sweaters.
