Elementary School

100th & 101th Day of School

Students in grades 1-6 celebrated the 100th day of school by participating in an activity where they shared why they love Maritime. On the 101st day of school, students dressed up as dalmatians.

Someone You Love Dinner

We held our 2nd Annual Someone You Love Dinner To Go. Families purchased heart shaped pizza dinners to share with someone they love.

Valentines Day!

National School Counselor Week

National School Counselors week was February 7th to 11th. Students showed their appreciation for our school counselors by making cards. We appreciate all that Ms. Brennan and Ms. Donovan do for our students.

Middle and Elementary Happenings!

February was a great month at the elementary school! Students made predictions on whether conversation hearts would float or sink in water, soda, and vinegar. The STEM Lab held its first ever class of 6th graders. Students learned how to make styrofoam in science class with Ms. Siranno! Students in Ms. Luu's class learned about the Lunar New Year, and students celebrated Twosday!

High School

Winter Dance

Students enjoyed delicious food, great music, and had a great time at the Winter Dance.

Boat Building

Nine of our cadets participated in the Independence Seaport Museum Boat Building Program.

Senior Portraits

Senior portraits are in and are up on our wall!

Cooking Club

Cooking Club is underway. For their first meal, the students made a delicious salad.

Awards Assembly

On Friday, February 25th, we honored students who received second and first Honors and those who have perfect attendance.

High School Happenings

Students tried out for Girl's Basketball, Mr. Clark celebrated 2-2-22 with tacos, and Student Government held its elections.

"Spirit of the Port" Luncheon

On Friday, February 25th, Chief Hentnick took several cadets to the "Spirit of the Port" Luncheon. Our very own Vincent Laverghetta sang the National Anthem.
