Elementary School

Girls Basketball

The girls basketball team had its Blue and White game to honor the season! The cadets had a blast playing against the staff. Also, members of both the girls and boys team were selected to play in the league All-Star game. Great job, Seadogs!

Celebrating Dr. Seuss

1st graders made Oobleck to celebrate Dr. Seuss' birthday.

Pi Day

To celebrate Pi day, Mr. Mattioni volunteered to get pried in the face!

Maritime High Visit

Some 8th grade cadets visited the Maritime high school to learn more about our programs and educational opportunities.

Middle and Elementary Happenings!

March was full of fun at the elementary school! First grade students made leprechaun traps in hopes of capturing a leprechaun and the 2nd grade students made Irish potatoes celebration of St. Patrick's Day.

High School

Flea Market for Ukraine

After a month of intense planning, Ms. Leygerman and the seniors organized a Flea Market for Ukraine. Ms. Leygerman solicited donations from friends, teachers, staff, community members, and local businesses, while the seniors organized and priced the donations and dropped off fliers around the community. The event engaged the whole school and our community. Ms. Gara and the students who run the Anchor Cafe served hot coffee, hot cocoa, and pretzels, Ms. Stead knit and donated hats, Ms. Lockhart-Davis made mini-cakes, Ms. Karnes donated plants, and everyone else pitched in and made this incredible event possible. The event raised a little over \$2,700 for the people of Ukraine and donated to World Central Kitchen, an organization that serves hot meals to the people fleeing Ukraine.

Clubs, Clubs, Clubs!

The cooking club made delicious cheesecakes and donated small chocolate cakes to the flea market. The Horticulture club received new grow lights. Thank you, Mr. Courtney for assembling the new lights! The club also donated seedlings and plants to the flea market.

Softball and Baseball Season is Here!

March Field Trips

The 11th grade visited the Seaport Museum, and the 10th grade visited the zoo!
