St. Patrick's Day Fun Events

Saint Patrick is the patron saint of Ireland. We celebrate the heritage and culture of the Irish people. The day is now celebrated by many people, Irish and non-Irish alike. It's nice to be Irish for a day of celebration; wearing the Green.

Camden Aquarium Visit

On 3/21/2023, MACS cadets had the opportunity to explore the Camden Aquarium and learn about job opportunities offered there. They participated in a classroom session that went into detail about the many jobs that allow the aquarium to run daily. They also learned about volunteer opportunities, required certifications, and the application process. After that, our cadets immediately started to enjoy the many exhibits and activities at the aquarium. Our cadets especially enjoyed touching sharks, stingrays, and starfish! They were so well-behaved, asked great questions, and everyone seemed to have a good time. At one point, one cadet rushed by with the biggest smile on his face and said "I'm having so much fun!"
