INTRODUCTION

Welcome to the Glendale Elementary School District ("GESD"). We are pleased that you have chosen our facilities for prospective use.

Pursuant to the Arizona Revised Statutes (A.R.S.) Section 15-1105 et seq., District owned facilities may be made available for public use. The Governing Board adopted the spirit and intent of this public law in making the District facilities available to the public. However, the District cannot subject itself or its residents to liability not otherwise assumed in the normal course of operations.

Therefore, all prospective OCCUPANTS of District facilities **must thoroughly read, complete and sign the enclosed Facility Use Agreement and associated forms as indicated.** The site Principal or Administrator shall review the request and determine if there are any conflicts with any site-sponsored activities. The request shall then be submitted to and approved by the Director of Facilities and Operations, along with any fees and the required evidence of insurance prior to the commencement date stated in the agreement.

The use and occupancy of school property shall be primarily for GESD purposes. Any authorized use or occupancy of the property for other than GESD purposes shall be secondary and subordinate to this primary purpose.

The extensive use of school buildings and grounds by community groups makes it imperative that definite rules, regulations and policies govern the use of these facilities. Use of school facilities must be in accordance with the provision of Arizona Revised Statutes.

If you need more information regarding the use of our facilities or assistance with the Facility Use Manual, please contact the Maintenance and Operations Department Administrative Secretary at (623)237-6202.

COMMUNITY USE OF SCHOOL FACILITIES

The Governing Board may grant the use of school facilities to any person, group, or organization for any recreational, educational, political, economic, artistic, moral, social, or other civic purposes in the interest of the community, including extended day resource programs. **Such use shall not interfere with any school activity.** The authorized representative of the Board may approve the use of school facilities by non-school organizations.

Fees

A reasonable use fee shall be charged for the lease of school facilities and property. "Reasonable use fee" means an amount that is at least equal to the cost for utilities, services, supplies or personnel provided to the lessee pursuant to the terms of the lease.

A schedule of fees and direct expenses shall be adopted annually. This schedule shall include the following classes of usage:

- **Class I.** School-related, student-centered groups that exist for the sole purpose of contributing to the success of our GESD Students such as: PTO's, PTA's and student fundraisers
- **Class II.** Youth Athletic Programs or Youth Development Programs that are non-profit organizations as specified by law (must provide IRS 501(c)(3) determination letter and proof of good standing with the Arizona Corporation Commission) and the majority of participants are students from the District such as: Youth Baseball/Softball, Soccer, Basketball, Football, Boy Scouts, Girl Scouts, Cub Scouts, Brownies OR Athletic Tournaments and Camps operated by District Staff/Coaches in which a participation fee is charged to all who participate
- **Class III.** Non-profit groups and organizations that, for the most part, do not involve only students from the District and/or will not likely perform educational functions for District students (must provide IRS 501(c)(3) determination letter and proof of good standing with the Arizona Corporation Commission)
- **Class IV.** Commercial or for-profit organizations

Any individual, group, or organization presumptively classified as Class II may submit a request for uncompensated use of school facilities, which shall include an explanation of why uncompensated use should be permitted. The Superintendent is authorized to make the final decision on such request.

Uncompensated Use

The Superintendent may permit the uncompensated use of school buildings and grounds by any District or school related group or by any non-school related community non-profit organization whose membership is open to the public, provided that the activity for which the facility is to be used promotes the educational function of the School District. "Educational function" means uses that are directly related to the educational mission of the District as adopted by the Board (and found in policy A of the District's Policy Manual) and includes the related uses of parent-teacher organizations, youth organizations and school employee organizations. Use of facilities or property by organizations indicated above that will require a substantial District cost for utilities, services, supplies and/or personnel may be permitted only if payments are made to reimburse these costs to the District.

The mission statement and the group's or organization's promotion of the educational function through the activity, as interpreted by the Superintendent in good faith, will be the basis upon which uncompensated use of District facilities and property shall be approved or denied.

Uncompensated use means that the group or organization pays only the District's direct costs resulting from the use of the facilities. The Board has determined, in good faith, that recreational or educational activities for the youth residing within the District's boundaries promote the educational function of the District.

Terms of Use

No school facility shall be used by any group or individual not in compliance with the requirements of all applicable federal or state statutes, regulations, and rules prohibiting discrimination on the basis of race, color, religion, national origin, sex, disability, age, or any other prohibited classification. No school facility shall be used by any group or individual for the purpose of advocating social or political change by violence or for advancing any theory subversive to the constitutions or laws of the state of Arizona or the United States.

No alcoholic beverages or e-cigarette products are allowed on District property. Tobacco products are not allowed on District property, pursuant to A.R.S. 36-798.03. Weapons are not allowed on school grounds, pursuant to A.R.S. 13-3102(A)(12).

Insurance

Proof of liability insurance with minimum limits of one million five-hundred dollars (\$1,500,000) shall be required for the use or lease of school property pursuant to A.R.S. 15-1105(E), with GESD named as "additional insured" on the policy. A certificate of insurance is required as evidence of this coverage.

Procedures, Rules, and Regulations

The Superintendent shall establish such rules and regulations as are needed to implement this policy as well as to assure the preservation of District property. If damage to the facilities occurs as the result of irresponsibility on the part of the applicant, charges shall be made to cover the amount of the damage. The Superintendent reserves the right to cancel any agreement if, after investigation, it is deemed that such use is not in the best interest of the District.

Initial inquiries for use of school facilities should be made via the Facility Rental Request link found on the GESD40.org homepage. **School activities shall always be given preference for use of facilities.**

Elections

The principal of a school may deny a request to provide space for use as a polling place if within two (2) weeks after a request has been made the principal provides a written statement indicating a reason why the election cannot be held in the school that includes any of the following:

- Space is not available at the school.
- A disruption of the normal school activities would occur.
- The safety or welfare of the students would be jeopardized.

Posting of political signs and other electioneering activities will not be permitted on school property at any time including on Election Day at school sites used as polling places.

Athletic Activities

At least two (2) weeks prior to the requested first use date, OCCUPANT must submit the Athletic Activities Addendum (Appendix E), signed and dated by an official of OCCUPANT, describing the program and verifying it is and shall continue to be compliant with A.R.S. 15-341 and Board Policy JJIB.

- Any conduct constituting an infraction of any federal, state, or city law or policy or regulation of the Board.
- Carrying or possessing a weapon on school grounds unless the individual is a peace officer or has obtained specific authorization from the appropriate school administrator.

Additional Requirements of the General Public

The definition of general public is anyone who does not come under the definition of student, faculty member, staff member, or employee.

OCCUPANT shall provide the DISTRICT with a certificate evidencing such insurance coverage is in effect.

8. LIABILITY AND INDEMNITY

The School District and its employees, including the Governing Board and Superintendent, are immune from civil liability with respect to all decisions made and actions taken to allow the lease or use of school property, unless the School District or its employees are guilty of gross negligence or intentional misconduct. This does not limit any other immunity provisions that are prescribed by law.

OCCUPANT agrees to conduct its activities in the FACILITY in a careful and safe manner. As a material part of the consideration to the DISTRICT, OCCUPANT hereby assumes all risk of damage to and loss or theft of property, and injury or death to persons related to OCCUPANT’s use or occupancy of any portion of the FACILITY from any cause whatsoever, and OCCUPANT hereby waives all claims in respect thereof against DISTRICT. OCCUPANT shall indemnify, defend, and save harmless DISTRICT and all of its employees, agents, and representatives from any and all claims, demands, suits, actions, proceedings, loss, cost, and damages of every kind and description, including any attorney’s fees and/or litigation expenses, which may be brought or made against or incurred by DISTRICT, on account of loss or damages to any property and for injuries to or death of any person arising out of any act or omission by OCCUPANT, its employees, agents, representatives, or subcontractors, or arising out of its use of the FACILITY, or arising out of workers’ compensation claims or unemployment disability compensation claims of employees of OCCUPANT or out of claims under similar such laws. OCCUPANT’s obligation under this Section 8 shall not extend to any liability caused by the sole negligence of DISTRICT or its employees. Where both DISTRICT and OCCUPANT, including their employees, agents or representatives participated in the liability causing event, each party shall contribute to the common liability a pro rata share based upon its relative degree of fault as established by compromise, arbitration or litigation.

Unless agreed to in writing prior to use of the FACILITY, OCCUPANT understands that the DISTRICT will not provide security services for OCCUPANT’s personnel, volunteers, and invitees during the use of the FACILITY. Accordingly, absent a written agreement to the contrary, OCCUPANT agrees and acknowledges that the DISTRICT is not responsible for protecting OCCUPANT’s personnel, volunteers, and invitees from threats, assaults, criminal acts, intrusion, terrorist or other attacks, acts of violence, and other similar incidents or risks of harm or injury. Moreover, OCCUPANT agrees and acknowledges that the DISTRICT is not responsible for the loss, damage, or theft of property belonging to or brought to the FACILITY by OCCUPANT or OCCUPANT’s personnel, volunteers, and invitees. Accordingly, OCCUPANT agrees to defend, indemnify, and hold the DISTRICT and its representatives harmless in connection with any and all claims asserted by or on behalf of OCCUPANT and/or any personnel, volunteers, and invitees of OCCUPANT relating to injury to person or property occurring because of, during, or in connection with the use, occupancy, and/or presence of anyone or anything in or upon the FACILITY, whether or not such injury is alleged to be the fault of the DISTRICT—in whole or in part.

9. ENTIRE CONTRACT

This Agreement embodies the entire contract between OCCUPANT and DISTRICT. The parties shall not be bound by or be liable for any statement or representation of any nature not set forth in this Agreement. Changes of any of the provisions of this Contract shall not be valid unless reduced to writing and signed by both parties. Payment for use already completed or in process at the time of the notice of termination is received shall be adjusted between DISTRICT and OCCUPANT in a fair and reasonable manner, but shall exclude any allowance for unperformed use or anticipated profits thereon.

11. WAIVER

The failure of DISTRICT to insist upon strict performance of any of the provisions of this Agreement or to exercise any rights or remedies provided by this Agreement, or OCCUPANT's delay in the exercise of any such rights or remedies, shall not release OCCUPANT from any of its responsibilities or obligations imposed by this Agreement and shall not be deemed a waiver of any right of DISTRICT to insist upon strict performance of this Agreement.

12. ASSIGNMENTS AND SUBLETTING

OCCUPANT shall not have the right to assign this Agreement or allow any other person or entity to use or occupy any or all of the FACILITY without the prior written consent of the DISTRICT, which consent may be granted or withheld at the DISTRICT'S sole discretion.

15. CONFLICT OF INTEREST

The parties understand that this Agreement is subject to cancellation pursuant to Section 38-511 of the Arizona Revised Statutes, without penalty or further obligation on the part of the DISTRICT, if any person significantly involved in initiating, negotiating, securing, drafting or creating this Agreement on behalf of the DISTRICT is, at any time while this Agreement or any extension hereof is in effect, an

The parties agree that neither the OCCUPANT nor any employees or other personnel of the OCCUPANT will for any purpose be considered employees of the District, and with respect to the OCCUPANT and any employees or other personnel of the OCCUPANT, the DISTRICT shall not be responsible in any manner for the supervision, daily direction and control of the OCCUPANT and any of its employees or other personnel or the payment of salary (including withholding income taxes and social security), workers' compensation and disability benefits for OCCUPANT and any of its employees or other personnel.

18. CLEANING OF FACILITIES / PENALTIES

ATHLETIC ACTIVITIES ADDENDUM

Concussion Prevention and Education

Arizona Revised Statutes §15-341(A)(24) requires that Glendale Elementary School District #40 inform and educate coaches, pupils and parents of the danger of concussions and head injuries and the risk of continued participation in athletic activity after a concussion. This also applies to a group or organization that uses property or facilities owned or operated by a school district for athletic activities.

A participant who is suspected of sustaining a concussion in a practice session, a game, or other interscholastic athletic activity shall be immediately removed from the athletic event. A coach from the student's team, an official, a licensed health care provider, or the child's parent may remove the child from play. The child may return to play on the same day if a health care provider rules out a suspected concussion at the time the student is removed from play. On a subsequent day, the student may return to play if the student has been evaluated by and receives written clearance to resume participation in athletic activity from a health care provider who has been trained in the evaluation and management of concussion and head injuries as prescribed by A.R.S. 15-341.

Concussion Awareness Training

If any athletic activities will occur under this Agreement, a copy of a certificate indicating concussion awareness training has been completed by a representative of OCCUPANT (dated less than one year prior to the date of this form) should be submitted with this application for the District's review.

APPENDIX E (cont.)

Mild Traumatic Brain Injury (MTBI) / Concussion STATEMENT AND ACKNOWLEDGEMENT FORM

I, _____, acknowledge that I have to be an active participant in my own health and have the direct responsibility for reporting all of my injuries and illnesses to my coaches, team physicians, or athletic training staff. I further recognize that my physical condition is dependent upon providing an accurate medical history and a full disclosure of any symptoms, complaints, prior injuries and/or disabilities experienced before, during or after athletic activities.

By signing below, I acknowledge:

- I have received specific educational materials including the Centers for Disease Control (CDC) Concussion Fact Sheet for Athletes (www.cdc.gov/headsup/pdfs/custom/headsupconcussion_fact_sheet_for_athletes.pdf) on what a concussion is and have been given an opportunity to ask questions.
 - I have fully disclosed to team staff any prior medical conditions and will also disclose any future conditions.
 - There is a possibility that participation in my sport may result in a head injury and/or concussion. In rare cases, these concussions can cause permanent brain damage, and even death.
 - A concussion is a brain injury, which I am responsible for reporting to my coach, team physician, or athletic trainer.
 - A concussion can affect my ability to perform everyday activities, and affect my reaction time, balance, sleep, and classroom performance.
 - Some of the symptoms of concussion may be noticed right away while other symptoms can show up hours or days after the injury.
 - If I suspect a teammate has a concussion, I am responsible for reporting the injury to the team staff.
 - I will not return to play in a game or practice if I have received a blow to the head or body that results in concussion related symptoms.
 - I will not return to play in a game or practice until my symptoms have resolved AND I have written clearance to do so by a qualified health care professional.
 - I understand that, following a concussion, the brain needs time to heal and I am much more likely to have a repeat concussion or further damage if I return to play before my symptoms resolve.
 - Based on the incidence of concussion as published by the CDC, the following sports have been identified as high risk for concussion: baseball, basketball, diving, football, pole vaulting, soccer, softball, spirit line and wrestling.
 - I represent and certify that I and my parent/guardian have read the entirety of this document and fully understand the contents, consequences and implications of signing this document and that I agree to be bound by this document.
