

Reference: How marks are determined on report cards and reports in Grades 9-10

Art

Grades are assessed on the progress made by students on the two components of the Edexcel International Art IGCSE.

Design

Grades are based on the following:

25 % Exam in Product Design

25% Exam in Graphic Products

50% Coursework

English

Grades are based on assessed essays completed in class.

Humanities (Economics, Geography and History)

Grades are based on class tests and written assignments.

ICT

The grades in mono ICT are determined by Unit work throughout the year:

Grade 9:

Unit 1: Effects of ICT (Digital Citizenship): 25%

Unit 2: Website Development (Programming): 75%

Grade 10:

Unit 1: ICT Security & Organisation (Digital Citizenship): 25%

Unit 2: Graphic Software development (Programming): 75%

Language A German / PB / Geschichte / Ethik

40%	mündliche Mitarbeit

25%	Writing

Mathematics

Grades are based on tests and examination results.

PE

Marks in Physical Education are based on the extent to which students demonstrate these qualities: positive attitude, effort, enthusiasm and motivation, proactive learning (for example asking questions during class and helping and assisting others) and completion of any written tasks and assignments.

Performing Arts

The grades in Performing Arts are based on the journal kept by the students (fifty percent) and their practical performance (fifty percent).

Sciences

The Science report grade is obtained by averaging the test grades each student obtained in the significant tests across the three sciences up to that point in the year.

WAT

20%	mündliche Mitarbeit
50%	Projektarbeit
30%	Tests/ schriftliche Arbeiten in der Schule

– Internationale Ergänzungsschule –
– genehmigte bilinguale Integrierte Sekundarschule –
