

How marks are determined on report cards and reports in Grades 6-8

Art

Grades are based on the three assessed projects completed each term.

Design

Grades are based upon three Unit projects each year, the marks of which are cumulative throughout the year. The end of year report is based on the final submission for all three projects.

English

Grades are based on assessed work completed in class (either presentations, essays or quizzes).

Humanities

Grades are based on written work such as class tests and written assignments and formative assessments.

ICT

As in Design, grades are based upon the three Unit projects each year, the marks of which are cumulative throughout the year. The end of year report is based on the final submission for all three projects. These include Digital Citizenship units at the beginning of the year and at least one programming based unit in each grade.

Mathematics

Grades are based on tests and examination results.

PE

Marks in Physical Education are based on the extent to which students demonstrate these qualities: positive attitude, effort, enthusiasm and motivation, proactive learning (for example asking questions during class and helping and assisting others) and completion of any written tasks and assignments.

Performing Arts

Grade 6 Music: 75% practical performance, 25% written assessments.

Grade 6 Drama: 50% practical participation, 50% weekly journal.

In Grades 7 and 8 the grades in Performing Arts are based on the journal kept by the students (fifty percent) and the students' practical performance (fifty percent).

Sciences

The Science report grade is obtained by averaging the test grades each student obtained in the significant tests across the three sciences up to that point in the year.

Language A German / PB / Geschichte / Ethik

40%	mündliche Mitarbeit
30%	schriftliche Arbeiten in der Schule, Hausaufgaben
30%	Klassenarbeiten, Tests

Language B (Spanish, French, German)

25%	Speaking
25%	Listening
25%	Reading
25%	Writing

WAT

20%	mündliche Mitarbeit
50%	Projektarbeit
30%	Tests/ schriftliche Arbeiten in der Schule
