# BELIEFS

- We believe that education is a lifelong pursuit and that all students should be empowered to become critical thinkers, problem solvers, and lifelong learners.
- We believe we are stronger together working and learning in an environment of trust and empathy.
- We believe in being a district where diversity is a strength to be celebrated through equity, inclusion, and belonging.
- We believe a strong foundation in trust and relationships fosters an environment of high expectations where all students are able to unlock their full potential.
- We believe in fostering a physically and emotionally-safe learning environment where every individual is valued and treated with dignity.
- We believe in being a district of trust by operating and interacting with high integrity, transparency, and accountability.
