Activities at Bellevue High School

Why should I join a club?

Many colleges look to see that students are involved outside the classroom, which shows they are well-rounded. This is just one of the reasons to join a club!

What club should I join?

There are so many clubs to choose from at Bellevue High School, from academic to athletic to interest and community service clubs. Join a club that you truly feel passionate about!

Most Clubs meets after school at 3:00 pm

Students should take advantage of what Bellevue High School has to offer, both in the classroom and outside the classroom. I promise that their High School experience will be that much **RICHER** for having been involved. **It's cool to be a Wolverine!**
