- 1964** Notre Dame Academy opens as an all girls’ school owned and operated by the Notre Dame Sisters.
- 1974** Notre Dame Academy and Archbishop Rummel merge to form an Archdiocesan, coed high school – Roncalli High School, named after Pope St. John XXIII (Angelo Giuseppe Roncalli).
- 1993** Roncalli changes its name to Roncalli Catholic.

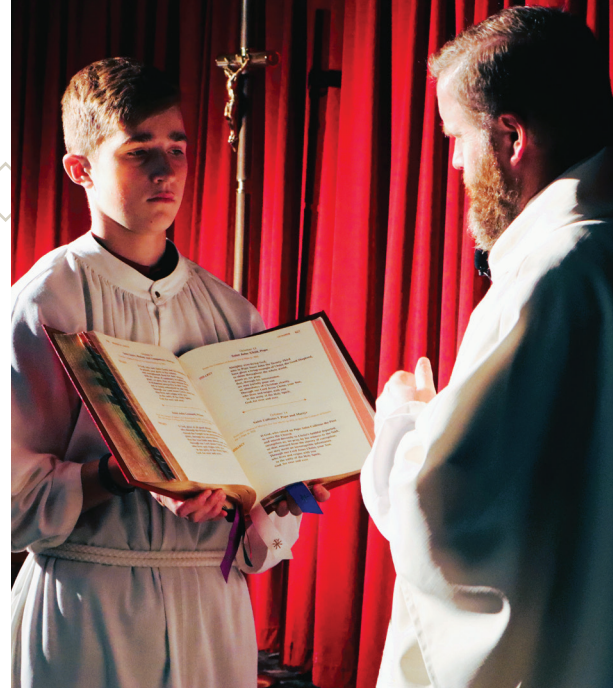

DEAR RONCALLI CATHOLIC FAMILY,

It is with great excitement and a deep sense of purpose that we announce the launch of the **Pride In Our Future** Capital Campaign for Roncalli Catholic High School. This campaign signifies a pivotal chapter in our school's history as we aspire to elevate the standard of education and create an environment that empowers our students to discover their full potential through wisdom, courage and faith.

As we embark on a transformative journey at RCHS, I am excited to share our vision for enhancing our facilities and providing an enriched educational experience for our students. Over the past few years, our Board of Directors and school leadership have prayerfully developed an extensive plan for our students and staff that will ensure a safe, ambitious and level playing field in the classroom and in the athletic arena for every Roncalli Catholic student.

The focus of our capital campaign is to enhance three aspects of our campus. Our primary goals are to revitalize our science labs, turf the football and soccer fields, resurface the track, and renovate the student services center. It is critical that our students have facilities that foster student safety, provide enhanced learning experiences, and a place to form lasting relationships.

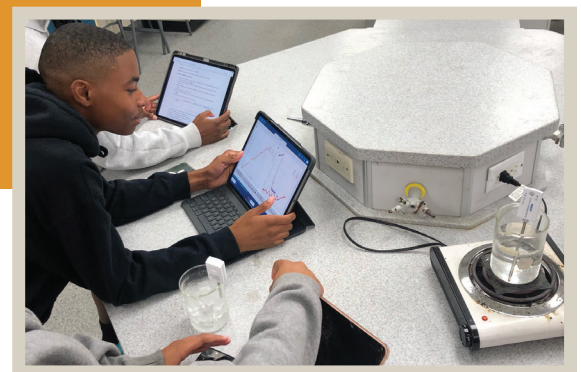

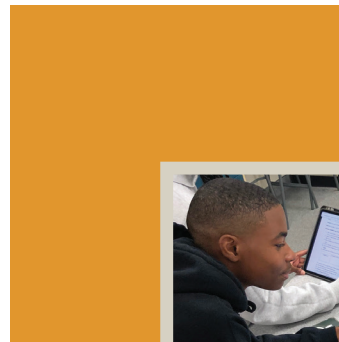

At Roncalli Catholic we are committed to providing a strong Catholic education, forming students to be future leaders in our Church and communities. We believe in forming the full student in body, mind and spirit – which is why we want to make sure this campaign touches many aspects of our students' high school journey.

As we now enter this groundbreaking time here at RCHS I humbly invite you to consider being a vital part of this endeavor. Your prayers and generous contributions will not only impact the present students, as well as leave a legacy for generations to come.

In faith and gratitude,

A handwritten signature in black ink.

Roncalli Catholic High School President

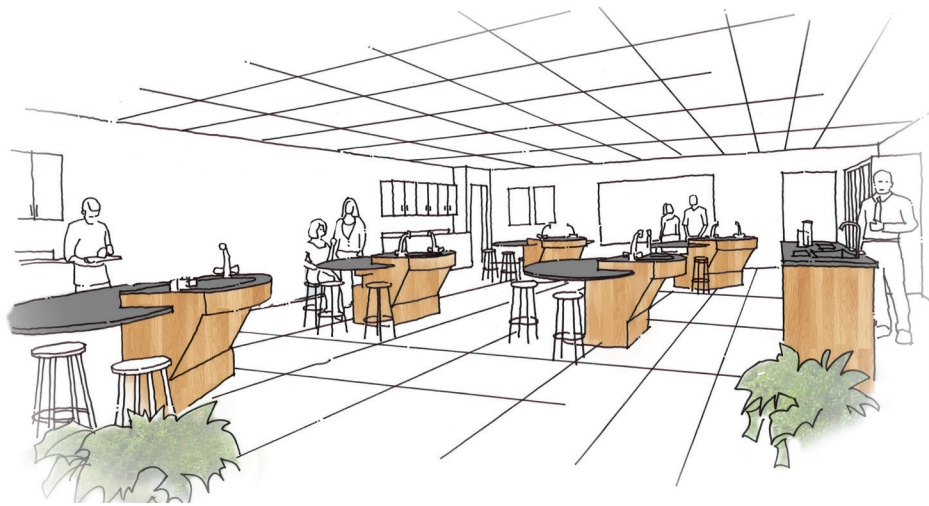

OUR FUTURE

RCHS is entering one of the most transformative and exciting times in the school's storied history. Our students continue to excel in the classroom and extra-curriculars, guided by our compassionate teachers and coaches. The time is now to ensure that our facilities match the needs of our students for the next chapter of our school's future.

Our basic needs have been met, but we face new challenges and demands. Improving the science labs, the athletic field and track, and the student services center will tell our community that we are moving forward for the good of our students, for the good of society and for the good of our church. We can't miss this opportunity before us. We can't miss the opportunity to strengthen our mission and our school.

Students, alumni, families present and past, faculty and all Roncalli Catholic supporters deserve a campus they can continue to be proud of. We are excited about how our new capital improvements will strengthen our mission to make Roncalli Catholic a school of choice among future prospective students in pursuing a Catholic education, bringing them closer to God. We trust in God's providence to lead us to partners and supporters in this vision.

Roncalli Catholic High School has embarked on a master plan and concept design process that culminated in a 21st Century vision for the school's facilities and grounds. Recent development momentum and in-depth strategic planning initiatives sparked this vision, which is entirely built around student success, safety, and the strengthening of the entire Roncalli Catholic community. Our plans are designed to bolster recruiting and retention of students, faculty, and staff and to provide a framework for ongoing stewardship of the school's building and grounds for future generations.

***Footnote:** Work has begun with our general contractor, architect and engineers. The project costs, renderings, and timelines are in the process of being finalized at the time of this publication. A portion of the campaign funds raised will be allocated towards professional service fees incurred.

RENOVATE THE SCIENCE LAB CLASSROOMS

Estimated cost \$2 million*

"I am truly excited by the plans for the upcoming science lab renovations. The new classrooms will allow the science teachers to have easier access to stored materials and make for smoother transitions between lectures, small groups, and labs. Increasing the variety of activities used in the learning environment is important in fostering curiosity and creativity in students by engaging in a variety of learning styles. This investment in our facilities will help us positively impact the success of our students."

REMODEL THE STUDENT SERVICES CENTER

Estimated cost \$900,000*

"I believe the capital campaign at Roncalli Catholic will enhance not only the appearance of our school but will also allow for new growth of the student body. As a senior at Roncalli Catholic, it brings me great joy to know that the place I've called home for the last four years will continue to grow and become better for all. The student center is a very important part of our school. It is where we eat lunch, have study hall and a place to meet up with friends after school. Overall, I know the student body is ecstatic about these new changes and the opportunity to have what so many schools around us have."

TURF THE ATHLETIC FIELD AND RESURFACE THE TRACK

Estimated cost \$1.5 million*

"The installation of a turf field and track at Roncalli Catholic will have significant positive effects on both the athletic and overall school environment. A turf field provides a reliable and all-weather playing surface, allowing for consistent practice and gameplay regardless of weather conditions. Additionally, it will encourage student participation in various sports. The dual benefit of having both a turf field and track supports a comprehensive approach to physical education and extracurricular activities, fostering a sense of school pride and community. Furthermore, these facilities can attract spectators and boost school spirit during sporting events, creating a vibrant atmosphere that positively impacts the overall high school experience for students, staff, and the surrounding community."

This goal marks a monumental challenge: to achieve something for every student – academically, athletically and extra-curricular. The tradition of the Crimson Pride grows with God's grace for current and future students! We will put Christ at the forefront of all we do with trust, confidence and conviction. We will live in communion and serve our global community with love and compassion.

“

As alumni, parents of alumni and parents of a future Roncalli Catholic student, we are thrilled with the opportunity to help Roncalli Catholic take another positive step forward. From family values, lifelong friendships & new relationships to academia, activities/athletics and spiritually, Roncalli Catholic's impact on our family has been both positive and diverse. What RCHS offers is unique to our community... A small-school atmosphere filled with Catholic values and a student body that is diverse in so many ways. Watching two of our kids grow in wisdom, courage and faith during their four years at RCHS and carrying those virtues into the next stage of their lives has been priceless. We look forward to having the chance to experience that one more time with our youngest who will attend Roncalli Catholic next year. It is our goal to assist this campaign from a time, talent and treasure perspective so that this wonderful school and community can continue to flourish and impact future generations of students, teachers and faculty.”

HOW TO GIVE

As you prayerfully consider supporting our **Pride In Our Future** campaign, we hope you will reflect on what Roncalli Catholic High School means to you. To achieve our campaign goals, we will rely on the participation and generosity of our entire Roncalli Catholic community. Please consider making a sacrificial gift.

Pledges are commitments made in good faith, but they are not legally binding. For greater flexibility, you can fulfil your pledge over a three-year period. A commitment may be fulfilled through monthly, quarterly, semiannual or annual installments. There are many ways to contribute to the capital campaign, and most donors use the options listed below.

CASH/CHECK

The most common gifts received are by cash or check. Checks should be made payable to Roncalli Catholic High School with **Pride In Our Future** in the memo line.

AUTOMATIC WITHDRAWAL/CREDIT CARD

Payments can be made automatically from your bank account or placed on a credit card. You may sign up on the secure donation form on our website or contact TJ Orr at the school to make the necessary arrangements.

SECURITIES

Charitable gifts of appreciated stocks, bonds, or mutual funds offer special tax advantages and can be a great way to provide a significant gift to Roncalli Catholic.

LIFE INSURANCE

You can donate an old policy by simply naming Roncalli Catholic as the owner and beneficiary, or you can consider donating a new policy.

PLANNED GIFT

Planned giving is the process of carefully selecting the best method and assets for making a charitable gift. Such a gift can enable donors to take full advantage of tax laws to accomplish their financial and charitable goals. A bequest contained in a will is the most common form of planned giving.

CORPORATE MATCHING GIFTS

A matching gift program provided through an employer or board membership may allow the donor to increase the value of their gift. Many companies match charitable gifts of employees, retirees or board members.

CAMPAIGN *prayer*

God our Father,
We thank you for our Roncalli Catholic Family.
Following the example of Pope St. John XXIII,
we seek the intercession of Our Blessed Mother and St. Joseph.
We ask for Your presence as we pursue growth and new life in our school.
As You praised the sacrifice of the widow,
and as You so often taught your disciples,
we ask for the generosity to give of ourselves in wisdom, courage, and faith.

Through Jesus Christ, our Lord,
Amen.
