For immediate assistance please contact LGS Recreation at (408) 354-8700.

Register online at www.lgsrecreation.org, mail in, or walk in registration today

Descriptions:

Chess Wizards: Grades K-5

Room 2

We separate students based on skill levels and teach different lessons best suited to their individual needs. All lessons have an activity and homework to accompany them and we have well over 80 different lessons to keep challenging our little wizards!

Basketball: Grades K-5

Upper Blacktop

Develop passing, dribbling, shooting, and defense with Allera Sports. Participants will engage in drills and games to learn, improve, and develop their basketball skills.

Movin' and Groovin': Grades K-5

Room 15

Catapult into Newton's three laws of motion as you yank the tablecloth from under the dishes! Learn about potential and kinetic energy using toys that pop, jump and flip! Discover renewable and non-renewable resources for power generation, and build your own optical fiber model as we talk about telecommunications!

Robotics and Coding: Grades K-5

Room 15

Do you think your child can build the strongest and most agile robot? Can their robot win a head-to-head combat mission? Your child will discover basic strategies for building sturdy structures and then apply that knowledge to build a robot for friendly competition. They should be prepared to have tons of fun!

Soccer Clinics: Grades K

Field

World Cup Soccer Skill Clinics are customized to create many touches on the ball, improve dribbling, passing, receiving, and shooting. We form small groups to ensure a focused and personal practice. We make it instructional, challenging and fun.

Tennis/Pickleball: Grades 1-5

Upper Blacktop

Students will learn to play tennis on portable nets set up on blacktops and low compression tennis balls. Fun games and activities are used to improve tennis-related skills of our students that will not only carry over to tennis but other sports as well.
