## IT'S ALL ABOUT FUN. IT'S ALL ABOUT FRIENDSHIP.

Alexander Camp is also about fostering a sense of enjoyment and engagement in your child.

Through a variety of stimulating activities, your child is provided with the opportunity to discover teamwork and sportsmanship, a love of learning, and renewed self-confidence - all while having a blast!

## THERE'S SOMETHING FOR EVERYONE!

Talk about kid-friendly . . . Designed for children from 3-12 years of age, Alexander Camp is conveniently located, affordable, and offers a variety of different programs geared to your child's age, stamina, and skill level. Our campers also come from all over the world, so no two students are alike in personality, talent, or world view. To meet the needs of every student, we alternate the indoor and outdoor events, varying them in length according to the activity and the age/interest of each group. And the environment is always supportive, respectful, and designed to bring out the best in each child.

## ABOUT ALEXANDER MONTESSORI SCHOOL
