

### $\mathcal{N}$

#### PEOPLE AND CULTURE

We provide a welcoming environment and positive school and district culture for students, families and employees.

### COMMUNITY COLLABORATION

We engage families, community members and civic organizations as active partners. **ííí** 

#### FISCAL RESPONSIBILITY

We manage and protect public funds and assets through efficient and effective use of available <u>resources</u>.

**3rd Grade Literacy** 85% of our students will read at or above third grade literacy. School Climate & Culture Increase and maintain a 5-Star Climate Rating Partnerships Increase the number of strategic partnerships aligned to our school goals.

**5th Grade Mathematical Literacy** 85% of our students will improve proficiency on the Iowa Test of Basic Skills (ITBS)

Balanced Literacy Framework Implement literacy instruction that includes the five pillars of reading instruction (K-2); guided reading, independent practice, and implementation of Lucy Calkins Units of Writing.

### Math & STEM Framework

Implement guided math instruction focused on increasing numeracy skills with a focus on content integration to increase computational and conceptual skills needed to solve real-world problems. **Teacher Retention** Increase the percentage of teachers retained beyond their 5th year

**Extraordinary Customer Service** Create a healthy and sustainable culture where parents, teachers, and students are empowered to share open and honest feedback, and lead and serve within the school building.

**Teacher Development** Engage and strengthen the instructional practices of all teachers through 1:1 mentorship, coaching and modeling, training, and leadership development. Stakeholder Engagement Increase the percentage of stakeholders who feel empowered to support the education of our students

**Dolphin Community Campaigns** Create a partnership program that supports various educational campaigns with a focus on Literacy and Mathematical Literacy

#### **Parent University and Beyond**

Offer courses and programs that are designed to equip all stakeholders with additional skills, curriculum resources, and community connections designed to strengthen their understanding of a K-5 learning experience. Student Activity Funds Ensure effective management of local school funds and resources

Efficient Financial Processes Refine budgeting processes to ensure resources are used effectively and efficiently to support school based and district goals.
