

Attendance

A reminder for parents.....

When a student is absent 3 consecutive days, homeroom teachers will e-mail the counselor who will make a courtesy call, to see if the student needs assignments, and to remind the parent to send in an excuse when the student returns to school.

After 5 unexcused absences during the year, an Administrator will contact the parent by phone or letter.

After 10 unexcused absences during the year, an official referral will be made to our school social worker and an official letter will be sent to the parents by the administration.

Tardies:

After 5 unexcused tardies, the counselor will contact the parents.

After 10 unexcused tardies, an administrator will make contact with the parents.

After 15 unexcused tardies, the school social worker will contact the parents.
