

# TALENTED & GIFTED

## November Newsletter

### CISS Process

CISS is a state mandated process that will end on November 30. During this time, teachers and administrators can refer students for gifted testing. Testing will occur in January.

### TAG Internship

TAG and high achieving students  
can participate in a college level  
internship. Students are  
matched with a site that is  
aligned to their individual  
interests.
