Leave Coverage

Leave through the school district is paid by using your own available paid leave. If your sick leave balance is exhausted, you may choose to use personal leave or take leave without pay. If you have applied for the Paid Family Medical Leave, you may choose to not be paid through the district and be paid only through the state or a combination of the two.

- I have applied for the Paid Family Medical Leave (PFML). I **DO NOT** want to use any of my district accrued paid leave hours and will be unpaid by the District and only receive the PFML payments. If applicable, I understand this can affect the amount of my summer pay.
- I have applied for the Paid Family Medical Leave (PFML) and I want to supplement my PFML payments. I understand that to supplement, I must report the amount and dates of my PFML payments to Payroll by the 18th of each month, or my absences will be recorded as unpaid for the month. If applicable, I understand this can affect the amount of my summer pay, if I am a reduced year employee. I wish to supplement using partial days of my:
 - Sick Leave
 - Personal Leave
 - Vacation

Leave Request Form

I will not apply for the Paid Family Medical Leave (PFML). In addition to using my sick leave, I authorize the use of my available:

Personal Leave Vacation

Employee Leave Notice

Please have your supervisor sign this form before submitting your leave request. Once a decision is made regarding your request, you and your supervisor will be notified.

Employee Benefits: Taking a leave-of-absence, in some instance, may cause a termination of your health insurance benefits. If you have questions call Robin Mauro at 787-4571.

Paycheck and Step/Experience Increase: A paid leave through the District will draw down your accrued leave balance(s). Depending on the length of an unpaid leave, you may not receive a paycheck until you return to active employment. Additionally, a leave of absence may cause you to not receive a step increase (please refer to your applicable collective bargaining agreement).

Right to Return: Your right to return to your position is protected in part when you are FMLA or PFML qualified, and/or per any applicable collective bargaining agreement. Please review your collective bargaining agreement, contact your union representative, and/or review your official leave letter for details concerning your right to return to your position. If approved, a multi-year leave may cause you to be displaced from your position. Be advised, if you do not return to work on or before your right to return date, you may lose your right to your position and/or your employment may be terminated.

Employee Acknowledgement

I have read the Employee Leave Notice section and understand that my request for leave will be communicated to my supervisor, could cause changes to my employee benefits, my paycheck, prevent me from receiving a step/experience increase, and affect my right to return to my position.
