

Consent to Share FRL Eligibility Status for Needs-Based Assistance

You are receiving this automated form because your student(s) qualifies for the Free and Reduced School Meals Program to receive free or reduced lunch (“FRL eligible” or “FRL status”). FRL eligible students may also qualify for a variety of needs-based assistance and programming based on their FRL status. Federal law requires the parent/guardian’s consent before Fulton County Schools can use or share FRL status for purposes other than the provision of free or reduced lunch. Your privacy is important to FCS. If you consent, this information will only be shared as you direct to help provide needs-based assistance to your student that may be beneficial to you and your family.

If you wish to give your permission to FCS to use or share your student’s FRL status to qualify for various needs-based assistance and programming, please provide your consent below. You can: 1) check the box stating you consent to allowing FCS to use/share your student’s FRL status with all users and for all purposes declared below; 2) pick and choose which users and purposes you consent to sharing the student’s FRL status with by checking the individual boxes for those users/purposes; or 3) check the box indicating you do not consent for FCS to use or share your student’s FRL status with any of the following users or purposes. Your decision to share or not share this information will not in any way affect your application to or participation in the Free and Reduced School Meals Program; it is completely optional.

I consent to allow FCS to use and/or share my student’s FRL status with all users and for all purposes stated in the table below.

I give partial consent to FCS to use and/or share my student’s FRL status with only those users and purposes I check the box for below.
