Greeting Families,

My name is Ms. Borden, I am the Clinic Assistant here at Camp Creek Middle School. I hope that everyone is practicing social distancing, performing proper hand hygiene, and wearing proper face mask coverings to protect yourselves during this time. We need you to be healthy and strong; mentally and physically.

Student Health Services

Student Health Services Believes:

"Children must be healthy to be educated, and educated to be healthy" Dr. Jocelyn Elder, Former U.S. Surgeon General

This department believes that optimal learning requires good health. SHS works to ensure the health and well-being of students and staff by developing, implementing, and delivering school health services and programs.

SHS delivers school health services through a team approach with registered nurses and clinic assistants who work in the school-based clinics. Student Health Services serves as a resource for all school health related issues.

Families please visit our page for resources:

- Health Care Plans
- Medical Authorization Forms
- FCBOE Medication Policy
- Immunization Information
- Health Alerts
