Community Careers

April 15, 2020 (Police Officer)

Greetings,

I hope all is well with you and your family today.

Dr. Sutherland, our school counselor has prepared career awareness topics for us.

Every Wednesday, we will learn about a different career. Enjoy!

This month, we will focus on careers in the community. Today, we will discuss police officers. Police officers keep you and your community safe by making sure people obey laws. In order to become a police officer, you need a high school diploma and on the job training. Is this a career you would enjoy? Thank you, Dr. Sutherland, for bringing career awareness to us! Have a remarkable day!
