Northview High School boasts a rigorous, well-rounded academic program that includes extensive course offerings to prepare a diverse student population for further study after graduation. Nearly 100 student clubs, service organizations, and academic teams, coupled with a full athletic program and rich arts program, support our mission to instill excellence in academics, arts, and athletics.

Northview follows a traditional semester schedule with two 18-week semesters per school year. Each student receives 0.5 units of credit per course at the end of a semester and must carry a full schedule of 6 classes per day. Special programs offered at Northview include: 3DE by Junior Achievement, Career Technology (Audio-Video Technology, Business, Computer Science, Engineering, Health Science, and Marketing), Peer Mentoring, SAT Preparation, Dual Enrollment, InterRelated Resource (IRR), and Talented and Gifted (TAG). The complete course catalog can be viewed at www.northviewcounseling.com.

3DE

Northview’s four-year leadership program uses project-based learning to equip students with essential skills for success: self-direction, critical thinking, effective collaboration, creativity and innovation, effective communication, and cultural agility. Through real-world career challenges, and using the 3DE model, students become dynamic and compassionate leaders and world citizens.

Impact of COVID: Educational Setting

Spring 2020- Fall 2020 - All students participated in remote learning starting Spring semester 2020 in mid-March thru Fall semester 2020 up until October. At that time, students had the opportunity to stay remote and continue learning in the virtual setting or they could return to school for Face-to-Face instruction. **Fall 2021-2022**- All students within Fulton County Schools returned to their home school for Face-to-Face instruction.

Impact of COVID: Grading Marks on Transcripts

Incomplete(I): An Incomplete(I) was entered as a temporary final course grade on the transcript of students affected by remote learning and unable to complete at least 80% of the course's summative assignments. Students with an Incomplete (I) had until the end of Summer 2021 to clear the Incomplete(I) and receive exposure to and mastery of missed content.

Credit (CR): Upon completion of an Extended Learning opportunity, the Incomplete (I) listed on the transcript was changed to Credit (CR) during the term the Incomplete (I) was received. No credit was awarded to the grading marks of Credit (CR). Instead, the final course grade and credit earned was listed on the transcript during the term the student participated in Extended Learning and showed mastery of course content.

Withdraw Fail (WF): Students who did not clear Incompletes (I) through Extended Learning by the end of Summer 2021, should have received a Withdraw Fail (WF). Withdraw Fail (WF) has no impact on a student's GPA. Students who received a Withdraw Fail (WF) are required to retake the course, if needed for graduation.

Incompletes (I) for courses not needed for graduation remaining on student transcripts. Incompletes (I) do not impact numeric GPA calculations.
