Volunteer Registration

Once we are able to welcome visitors and volunteers back in the building **EVERYONE** who would like to volunteer will have to register with Fulton County Schools - even if you've done so previously. The link provided is for the volunteer period of June 1, 2020 - May 30, 2022. **All approved volunteers must re-apply for volunteer status every two calendar years.** Many procedures have been put into place by our school district to ensure the safety of all students when a visitor or volunteer is on campus. We understand at times these processes can seem cumbersome, and we appreciate your patience in helping us maintain our number one focus; the safety of our children! www.fultonschools.org/volunteer

NORTHWOOD ELEMENTARY
2020 **STAYING CONNECTED** 2021

We've either seen it or experienced it. How many times as a young kid did you realize you were about to miss the bus? You race out the front door and watch as the bus passes right by the front of your driveway. What if that bus happily waited for you to get on? Well, welcome to the Northwood PTA bus. We're here to keep you connected—to each other, to your students, and to your community—because we're better together, even when socially distant.

We are happy to provide information about our cluster programs, but please note they are not sponsored by Northwood Elementary School.

Time to declutter for a good cause!

Bring your used paint cans to be recycled and disposed of properly! You'll benefit the CHS Girls Volleyball team and it will declutter your basement or garage.

The recycling fundraiser will be held on Saturday, August 29th from 9am-2pm in the Centennial High School parking lot. Customers pay a per-can fee for disposal. For example, to dispose of a gallon latex can, the fee is \$5. All latex and oil-based paints in any size container, including spray cans, are accepted.
